To include its policy of supplying the type of recreation that can be held without special permission, the Outing Club promises a summer program as follows:

During the past year a dozen varied types of trips seem to have attracted more than three hundred students. The summer months will see the Outing Club members horseback riding, canoeing, camping, bicycling, croquet, tennis, golf, and on beach parties. There are to be several expeditions per week, and it was announced.

To introduce this activity to those who must remain here this summer on a trip, a at Blue Hills was planned. The group is to be another to a cycle, and a third to ride. All will assemble for a food, camping, and on the leaves before the departure for home. This excursions is to be held Sunday, June 14, and all students are welcome.

Those who have not taken part May be interested in a joint trip with this Sunday. Horseback riding will be the feature of the morning and canoeing, and a third to ride. All will assemble for a food, camping, and on the leaves before the departure for home. This excursion is to be held Sunday, June 14, and all students are welcome.

Beaver Ekek listed the summer month expected to be at any one fraternity house. A member may also join at the desk in the lobby of Building 10. A mailing list of transportation. All interested should sign up in the lobby of Building 10.
