**S.A.E. Takes Beaver Key Trophy**

Victory In Track Meet Cinches Championship For Frat Contingent

Senior A Is Second, Phi Gams, Goodale, Sigma Nu Follow

Taking first place in the track meet and claiming championship in each of the other four tournaments, Sigma Alpha Epilson won the Beaver Key intercollegiate sports tournament of 1941-42 and earned the Beaver Key Trophy for the coming year. The S.A.E.'s were followed by Senior A, Phi Gamma Delta, Goodale, and Sigma Nu in that order.

The S.A.E.'s scored 104 points to Senior A's 81, Phi Gamma's 83, Goodale's 83, Sigma Nu's 45, Sigma Chi's 37.5, Chi Phi's 34.5, Delta Sigma Epilson's 30, Delta Tau's 27, 3-13 Club's 28, Delta Tau Theta's 24, Hayden's 20, Phi Delta Theta's 18, and Alpha Tau Omega's 12. All the other entries each garnered a sum less than ten points.

Senior A captured first places in the basketball and volleyball tourna-

ments. Phi Gamma Delta won the football tournament, and Sigma Nu nabbed the champion softball con-

testant. Goodale piled up its 83 points by qualifying for the round robin in basketball and softball.

The present Beaver Key summer tournaments are extra and con-

tribute nothing toward the win-

ners' chances for winning the regu-

lar winter tournament season.

Consequently, the official tourney will not begin until fall when the regu-

lar season commences.

**REvised Summer Schedule**

**ALUMNI POOL**

Effective Tuesday, July 14, 1942

At the request of the Institute Committee, the summer hours of the Alumni Pool have been revised to include Sunday swimming.

The complete schedule of pool hours this summer is:

**Tuesdays—12:00-6:30 P.M.**

**Wednesday—1:00-9:30 P.M.**

**Thursdays—1:00-9:30 P.M.**

**Fridays—3:00-9:30 P.M.**

**Saturdays—12:00-6:30 P.M.**

**Sundays—3:00-9:30 P.M.**

The swimming pool will be closed all day on Mondays and holidays.

**Swimming Pool Committee**

**3 Softball Leagues Accommodate Dorms, Frats, Courses, Navy**

This summer more than ever before, fraternities have shown a great interest in softball. Three separate leagues have sprung up: the Beaver Key tournament, the Senior House round robin, and the more or less informal competition among the various courses at the Institute. Because of the lack of regular athletic activities Tech men have turned to softball wholeheartedly. Every evening at five, the raw softball diamond is the scene of two games.

The Beaver Key Leagues

The Beaver Key tournament is divided into two leagues: Alpha which consists of 6 teams, and Beta which has 5 teams. Each team plays every other team in the same league. At the present time it is difficult to determine which team is in the lead since there is a three-way tie for the Alpha leaders. The A.A.R. —Phi Mu Delta which is second to the leaders in the Beta league. The last few games which should be completed by the end of this week will be the deciding contests. The winners of the Alpha and Beta leagues will play off in a round robin with the champion team of the dormitory league.

Senior House, Navy, Tourney

The Senior House tournament is also organized on a round robin basis. The selection of teams is not laid on determining which team is the best, but rather it offers everyone a chance to play softball. Each ball has formed its own team and the En-

signs have made up their own teams.

**Senior House Residents To Picnic On August 1**

The Senior House picnic, which was postponed from July 31, will be held on Saturday, August 1, at the Stowe Country Club. Trucks will leave from the Senior House at 11:45 A.M. and 1:30 P.M., and will return at 6:00 P.M. and 8:15 P.M.

A picnic lunch and beverages will be provided free of charge to residents of the Senior House. The Stowe Country Club will be taking reservations for golf, tennis, softball, swimming, boating, and ping pong.

**The Massachusetts Institute of Technology**

**CAMBRIDGE, MASSACHUSETTS**

**The Massachusetts Institute of Technology offers the following Professional Courses**

**School of Architecture**

City Planning
City Planning Practice

**School of Science**

Biology and Public Health

Options: Biology

Geology

Options: Geology

Plant Sciences

Mathematical Science

Theoretical Physics

Applied Mathematics

Chemistry

General Science

**School of Engineering**

Aeronautical Engineering

Building Engineering and Construction

Business and Engineering Administration

Civil Engineering

Coastal Engineering

Electrical Engineering, including

Electrical Communications

Electrical Engineering

Each of the above undergraduate Courses is of four years dura-

tion, with the exception of Architectural Science in Biophysics and Biological Engineering, Marine Transportation, and the cooperative Course in Electrical Engineering and Mechanical Engineering, which extend over a period of five years, and Civil Engineering, which covers a period of six years. In addition to the Bachelor's degree, in five and six year courses, with the exception of Architecture and City Planning, leads also to the Master's degree.

Graduate study, leading to the Master's and Doctor's degrees, is offered in Chemical, Meteorology, and in the above profes-

sional Courses.

A five year course is offered which combines study in Engineering or Science, and Economics. This leads to the degree of Bachelor of Science. This is followed by the Master of Science in Economics and Engineering or Economics and Natural Science.

**The Summer Session extending from June to September includes many of the undergraduate subjects given during the academic year.**

**For information about admission, consult with the Director of Admissions.**

**In all cases the students should have sent in the fullest possible application as soon as possible. In all cases the students should have sent in the fullest possible application as soon as possible.**
