1946 Meeting Scheduled for Monday At 5
To Be Held In 10:25; '45 Rally Will Be In 2-390 Tuesday
The first of the class rallies for Field Day will be held for the freshmen in Harrington Hall, Room 2-390, at 10:25 A.M. on Monday. This meeting, the first for the organization of the Sophomore class, will be presided over by the president of the Junior Class, and the coaches of all the Field Day sports. It is important that all members of the class attend this meeting, as it is formally introductory of the spirit of the class.

On Tuesday afternoon the Sophomores will meet in Room 2-390 for their rally. This pop talk will be much the same as that the freshmen will receive on Monday. They will be addressed by the respective coaches, and the captains of their various teams.

Last year the Sophomore turnout was much smaller than the Junior turnout, due to the general lack of spirit in the class. This year as there are several special events planned for the Sophomores, and they are forewarned of the rally, it is hoped by John F. Burke, president of the class of '46, that a large percentage of the class will come to the rally.
