The Tech To Contest Voo Doo On Commando Course Oct. 31

Sigma Nu And Friends Take Trip To Tech Cabin

Student technologies from Sigma Nu fraternity and their friends will take a trip to the Tech Cabin this weekend. This group of about thirty, including Mr. and Mrs. Robert W. Bishop acting as chaperones, will take advantage of the opportunity to meet other Tech groups at the Institute. No charge is made for the use of the cabin, as it is run on a profit basis through the T.C.A. drive which is scheduled for November through December.

Plans For 1942 Annual T.C.A. Drive

Now Under Way

Dean C. Picton, '44
Headquarters, Total Set As $3,700

With a goal of $3,000 set for this year, the T.C.A. now has its problem somewhat simplified. The T.C.A. drive this year does not include the Red Cross and World Student Service funds which were received at the same time. The sale of the draft, which was $3,000, is probably necessary for the new costs. Contributions to the W.S.S.C. are also necessary for the work of the Institute. Some minor subdivisions have been reclassified as disinterested persons interested in the survey and members of the Senior Draft Board.

Group subscriptions may do much toward raising the money necessary as the subscription cards may do under the old arrangement. The goal is probably set at $3,000, which was received at the same time. This amount may be used for the purposes of the Institute.

Gridiron Subscriptions May Be Obtained Today

All students who have not yet purchased subscription cards should call today between 12:00 noon and 2:00 P.M. at the Gridiron booth in the basement of Littauer.
