Sensational Fifth Column Expose
To Be Printed In Friday's Issue

In a series of starting developments, The Tech has uncovered what it believes to be one of the basest fifth column efforts at sabotage yet to be brought to public attention. With conclusive evidence available, a hastily arranged summons, The Tech will take the lead in exposing the criminals.

Up until a late hour last night further developments in the most amazing news of the war to date have been highly secret, until a recent party was inadvertently included in the list of suspects which will be released with the full details.

When the plans are successful, the entire case will be ready for publication in next Friday's issue of The Tech. Complete photographic evidence will be included in support of all charges.

Drashamp And
Pine Manor Will Combine Talents

"We got tired of playing men, so we decided we'd like to import a woman," said Raoul Lea, '43, of Pine Manor Junior College. "We have just been notified by the War Manpower Commission that the selection is composed of representatives from various service commissions, so the Dramashop-Massachusetts "Pine- arith" is now well on its way to being the most important organization on the campus."

Tryouts for men's parts were held at Pine Manor on January 17, 1943, with the casting notified on January 18. They are being held at Massachusetts Institute of Technology. The time and place of those to be held here are being kept secret, to prevent interruption.

The play will be presented on April 18, 19, 21, and 22, at Pine Manor, on the occasion of the M.I.T. Annual promenade, and is under the direction of Mrs. Margarette B. Lea, '05, of Pine Manor Junior College. The play is "A Midsummer Night's Dream," by William Shakespeare.

Bridge Club Holds
Defensive Games

Second Ski'n Jaunt

Twice Each Week

Practice Tournaments
To Be Held Saturday
Afternoon

Any students who would like to learn how to play bridge or who would like to improve their game may do so by attending the classes that are to be held under the auspices of the M.I.T. Bridge Club.

Robert N. Hittle, '45, Chairman of the Committee on Bridge, said that the classes will begin on Monday, March 1. The first meeting will be held at 1:30 P.M., and will be announced at a later date. Each bridge will be held in duplicate, and the number of places available is still over five weeks. There is to be no charge for the actual instruction, but each student will be required to purchase a copy of Culbertson's "Principles of Bridge," which will be in the dollar. In order to give the Bridge Club an idea of the number of books to order, the committee would appreciate all those interested in signing up on the tentative sign-up list in the Lobby of Building 19. Those interested in attending should meet in the Information Office of Rogers Hall at 11:30 on Monday, Thursday, and Friday, or at any other time convenient for the M.I.T. Bridge Club.

Radiator-Teche I.O.C.A.
Ski Trip

Second Skating Jaunt
At Franconia Notch

Radiator-Teche has been planning this week-end for the better part of last week, and will leave for Franconia Notch, N. H., from this Friday until Monday of next week. Franconia Notch is the site of the club's Olympic Dairy Mountain. The club is still operating since it is not affected by the present railroad restrictions.

Trains for Littleton, N. H., leave from Boston at 11:45 P.M. Friday, and arrive at 6:15 Saturday and arrive at 7:00 Saturday. Coming back Monday the train can take a train back from Boston at 1:00 P.M. Monday night and arriving late at 1:30 P.M. Cost for the trip is $3.00 for transportation and lodging.

The Radiator-Teche I.O.C.A. Ski Trip has been scheduled for February 21st to 22nd of Warren, N. H. The meeting place will be in the front of White Memorial; however, the exact time has not been decided upon yet. The Radiator-Teche will keep their date, however, as they have already been notified by the Federal Instructors' Scouts that there will be a large group of instructors present. The deadline for signing up is February 15th.

Ten Copies Of Technique Are Still Available At $5

A few copies of Technique, that can be purchased at the campus book store, are still available. The price is $5.00, and this price includes all the material on the subject. The copies of Technique will be published at the Institute and has been entered in several literary contests.

This year's Technique has not only been entered in the various contests, but has also been published under the name of The Tech. In the recent contest, the winner is "The Tech" and has been given a special award for this work.

Air Raid Signals
To Be Tried Out Today At 2 P.M.

Regulations For Raids
Need Not Be Observed;
Test Is Only Practice

A new system of air raid signals will be held today at 2:00 P.M. and again at 8:00 P.M. The test is only to determine the efficiency of the signals, and will not require evacuation of buildings or any other action. According to the new system, the trains for Pine Manor, N. H., will be at 8:15 P.M. The third signal is the same as the first, returning to a state of alert. The all clear, or white signal, has not been authorized by a Army or State, but the Infirmary, until further notice, the All Clear sign, or white signal, has not been authorized by an Army or State.
