Racing around the Garden track in number two position in 53.2 seconds, Goldie was instrumental in Tech's winning the intercollegiate one mile relay over Tufts and New Hampshire in 3 minutes, 31.1 seconds. This was Goldie's first intercollegiate varsity competition and his first indoor relay run.

Track team was not forced to win Tufts. General strategy and good running by Goldie, Bailey, Bryant, and Mone, anchor man, was responsible for Technology's victory. Bailey was at 28.5; Bryant at 28.2; and Mone's 55.2 seconds. This was Technology's second win of the season. The other, as the Beaver men were also victorious in the Mile Games at New York on February 6. The times in the B.A.A. meet were somewhat slower than those in the New York meet, which was run in the Boston track is slower than the New York track.

The variance two relay mile team competed against Manhattan, Tufts, and Northeastern. Manhattan was the event in a minor relay as the best of the two times of the Men in the race were as follows: Rueter, 2:39; Hennen, 2:31; Spatz, 2:36; O'Callaghan, 2:38.

A full house attended the 54th Annual B.A.A. Games in the Garden. There were many among the best on the history of the meet. The combination in the events was very keen. The war has definitely had no effect on the sport, however, as witnessed in the fact that the times were not up to their usual standards.

The victorious varisty one mile team was entered in the I.C.A.A. meet, which was held at Madison Square Garden, New York city.

Oscar Heland has picked twenty-five of his boys to meet the Harvard University at Providence that they will be entered on an outdoor board track. The race will be run by the association, which should be familiar to them, as the Board track is the same blue print as the Technology outdoor board track.
