WALKER MEMORIAL'S TROJAN HORSE
Voo Doo stands accused. The low journal adds another ignominious page to the many already staining its unclean record. This time playing for stakes that cannot but applaud the most disgraceful actions of Voo, Doo has included conspiracy with traitorous intent in every move. It can almost be termed smirking, "Hah, we've got the Afrika Corps to meet the Americans at the front and Voo Doo to demoralize them from the rear.

From Africa came Lt. Col. Nelson's appeal, "This horrible influence, can't something be done about it," and to Col. Nelson the Alumni Debating Society will take the lead in forming a permanent federal union of the world. While Raymond Redheffer, '43, and John J. Fitzpatrick, who will represent the arguments for the negative side, have debated this question several times.

Institute Alumni Among Leaders
In Armed Services
Aside from being noted in their respective fields, the alumni of Technology have distinguished themselves in the armed forces of the United States. According to Dr. Carl T. Conom, there were 2,705 alumni in the armed forces as of January 14, 1942.

Of these 2,702 men, 2,504 are in the Army, 105 in the Navy, 28 in the Marine, and 73 in the Coast Guard.

This number has been revised: As many as possible of the men have already been discharged from the service, and some of the under graduates have already reached the colors. This means that one (Continued on Page 12)

Solons Discuss Technique Issue
Picton Approved At Yesterday's Meeting
A discussion of the possibility of publishing a weekly technique issue was held by the Institute Committees during its regular meeting yesterday afternoon. They discussed the likelihood of a weekly technique issue with sufficient access to the favorable acceptance of the class. The possibility of publishing a weekly technique issue was discussed.

At the meeting adjourned, the Institute Committee was also charged with the responsibility of considering the feasibility that it might be necessary to change The Tech to a weekly paper.

The meeting opened with the reading of the minutes of the last meeting, and the minutes of an Executive Committee meeting held last Monday afternoon. The regular report which was given was that of the junior Ring Committee, given by Robert E. Monse, chairman of the committee. He said that he had inserted several items in The Tech and had made arrangements for a new issue of the B. Gallou Company to sell the rings.

The final motions to come up was the changes in the constitution of the Alumni Club. This motion had been placed on the last meeting as an issue of the B. Gallou Company to sell the rings.

The members took up another matter concerning the changes. Yesterday, however, they were (Continued on Page 12)
