T.C.A. Fraternities
And Walker Are To Help Solve Problem

The Institute is taking definite steps to alleviate the housing situation, which was announced last night by Mr. William H. Cutifani, Jr., Assistant Manager of the Walker Memorial Dining Service.

"The major thing which is being done by the Institute proper is to double up the rooms in the Graduates' House, which was not affected by last night's announcement concerning the Quadrangle Dormitory. Through this action there should be a limited number of additional rooms available.

The Walker Memorial Dining service also announced last night that it would allow a limited number of students to live in Walker Memorial without charge. The men who will be allowed to live in the house are those who were called to active duty by the services. Those houses also expressed their willingness to give shelter to freshmen for the Interfraternity Conference Meeting (Continued on Page 5).

Quadrangle Club
Plague To Be Hung

Names To Be Added To Activity Heads Lists

The plaque for the winner of the swimming team last year, which was awarded to James A. Frosh, '43, of Walker Memorial, was announced last night by the Walker Memorial Committee, T.C.A. This plaque was awarded to James A. Frosh, '43, of Walker Memorial, because he "nearly won the 125 yards freestyle race". The plaque was designed by Ralph H. Smith, '43, of Walker Memorial, and awarded during the Interfraternity Conference Meeting.

Dr. Compton's Statement

Dr. Arthur H. Compton, President of the Institute, recently announced that the Institute has decided to relieve the housing situation by doubling up the rooms in the Graduates' House. This action was taken to provide additional rooms for students who are unable to find housing elsewhere. The Walker Memorial Dining Service also announced that it would allow a limited number of students to live in Walker Memorial without charge.

Frosh Council Elections

To Be Completed Today

Freshman Council, being composed of freshmen in all sections and grades, will be announced last night by Mr. William H. Cutifani, Jr., Assistant Manager of the Walker Memorial Dining Service.

The Walker Memorial Committee also said that the names of the various committees, which appear on plaques in the Yard at Cambridge, will be announced tonight at the very earliest. This action will be taken to provide additional rooms for students who are unable to find housing elsewhere. The Walker Memorial Dining Service also announced that it would allow a limited number of students to live in Walker Memorial without charge.

A Rumor's Birth And Death

And Its horrible Life History

The Institute is also taking steps to provide additional rooms for students by doubling up the rooms in the Graduates' House. This action was taken to provide additional rooms for students who are unable to find housing elsewhere.
