ADVANCED R.O.T.C. IS ACTIVATED

Climaxing what promises to be one of the most eventful I.F.C. days in a good many years, the announcement has recently been made by Attila J. and Senor in the advanced R.O.T.C. has been waiting eagerly were issued last February, in the Army's all-inclusive Specialized Training Program. According to the plan, the activated units maintain their Institute curricula and schedules as an essential program to the repair and enhancement of the Navy Reserve fleet. Although no details of the training as a Naval Aviation Cadet have been made available, all suitably have to cut out their own dance, and to make use of the work of participating in the ICU program.

McGinnis Enters Naval Advanced Flight Training

Carl L. McGinnis, '42, last year's I.F.C. and Cambridge has been an intense campaign to assess career chance to this man for nearly 30 years in various positions from the various lounges in Walker and from many of the dormitory and Graduate House rooms in great and plentiful supply. Lack again is the cause and it is to be deplored that it should continue.

I.F.C. Dance

A few tickets for the dancing are still available at the regular price of $6.60. As most of the tickets are sold through fraternity houses, note should contact Tyree to find out where tickets are available. The dance is scheduled to last from 9 p.m. to 2:30 a.m. The M.I.T. Swim Club has also announced that there will be mixed swimming in the Alumni Pool on Saturday afternoon. This will make an almost complete schedule for the weekend.

Dance Is Planned By Frosh, Sophs

At combined meeting of the Freshman Council and members of the Sophomore Class who were interested in holding a dance, it was decided to hold a dance for both classes sometime in the near future. Although no details of the dance were revealed, numerous groups were expected to work on the dance, and to make use of the work already done by the Sophomores when they planned to have a dance early in April.

McGinnis, who received his degree in Chemical Engineering, was the chairman of the Student Faculty Committee. His home is in San Francisco, California. Upon completion of his advanced flight training, he will be commissioned as an acting ensign in the U.S. Navy.
