Will Give Addresses
The Fourth Annual Spring Student Conference, sponsored by the International Student Association of Greater Boston, will be held at the Institute Saturday, April 16. The meeting will run from 2:00 P.M. Saturday afternoon to 9:00 P.M. the same evening.

The purpose of the conference is to discuss the problems of the student and the war. Registration for the conference will be in Walker Memorial Saturday at 2:00 to 2:30 P.M. and all students are invited to attend. The meetings will feature talks by Professor William Z. Pincus of Northeastern University, Dr. Robert Ulrich of Harvard University, and two discussion groups.

The International Student Association is made up of foreign students from Greater Boston colleges. Several persons from Technology are members of the Association's Conference Committee. They are: Dr. Robert O. Coudwell, Dean of Humanities, Mr. Wallace M. Ross, General Secretary of the T.C.A., and Nat C. Cakula, G. Nelson Chang, G., and Conkut have done most of the work in arranging the conference. Chang is the Foreign Students Director of the T.C.A. and the others are members of the group.

The following: 11:00 A.M. Mr. E. E. Nadel, of New York, will direct some international folk dancing in the 5:15 Club room. At 6:30 a buffet supper will be served and dancing in the 5:15 Club room.

Science 6:30 P.M. Spring Vacation Begins.

Activities Notes
Chemical Society
The M.I.T. Chemical Society will hold a combined meeting with the Tufts Chemical Society at 7:30 P.M. on April 16. The meeting will be held in the Chemistry Building on Talbot Avenue in Medford.

The speaker of the evening will be Mr. John T. Niikko, director of research at the Stonewall Wire and Cable Co., Cambridge. The subject of his address is to be "Fixation." Everyone is invited to attend the meeting, but all those who intend to go should contact the officers of the society as transportation is being arranged. Refreshments are to be served.

Women Students Assoc.
As a recent meeting of the Association of Women Students, the following co-eds were elected as officers of the organization: Eleanor Dean, G., is the new president, Mildred B. Edwardson, G., vice-president, Antoinette A. Rivera Anaya, G., secretary, and Emily Van Nest, A., treasurer.

Technology Dames
As the Emma Rogers Room has been taken over by the Infirmary, the Red Cross workers of the Tech-Dames have moved to the Red Cross Dames room on the second floor. Miss A. Kenney, vice-president, Miss Mary E. Dean, G., is the new president, and Miss Emily Van Nest, A., secretary. The meeting will be held in the Red Cross Dames room. The address of the evening will be "Plastics." Everyone is invited to attend the meeting, but all those who intend to go should contact the officers as transportation is being arranged. Refreshments are to be served.

Bridge Club
Sign up lists will be posted in the main lobby of Building 13 immediately after vacation for the Bridge Club tournament which is to be held on May 1 and 2. This contest will be open to all persons connected with the Institute, and they will be paired into teams of two. The prizes in the tournament which are to be awarded to the first and second teams, will be books on bridge or their equivalent in cash.

The Bridge Club announced last night that there would be no tournament the following week, but that regular weekly tournaments would be resumed on Saturday afternoon, April 26.

Student Poll
Harvard 28 per cent, and Tech 48 per cent as getting religion should assume a more important role in the post-war world. Tech is a high in something or other, when 78 per cent expressed the opinion that religion would not actually assume a more important role after the war. Even Harvard only had 70 per cent answer "no" on this question.

The T.C.A. Embassy
The fraternity Bunting Committee is completing its report on those participating and helping those who have not as yet been able to obtain an ambassador. The ambassadors are mostly members of the clergy and others are persons qualified to talk on religious subjects.
