Tufts and Boston College Lose To Beavers In Triangular Meet; New England Games Are Saturday

23 men from the Beaver track squad will take part in the Annual New England Track and Field championships to be held on Alumni Field at Boston College tomorrow according to an announcement by Oscar Hedlund, track mentor.

According to coach Hedlund several of the best performers will be of special interest due to the probable winner of this year's strong and well balanced aggregation. The probable winner will be between Maine and New Haven with Boston College as a strong contender.

The chances of the Eagles for a high place hinge largely on the efforts of Herbie McKenley, Freshman, who has been the West Indies, and who took three thirds in a triangular meet last weekend on the Braggs Field. Bob Morgan, Freshman, will lead New Haven with the efforts of the Wildcat team since he is in certain to do well in the shot put, high jump and broad jump events. Maine is particularly strong in the 1 mile hurdles and pot and polish events with Dodge as a strong contender for hammer throw honors.
