Track Coach Oscar Hedlund Urges Frosh To Choose Track

By Oscar Hedlund

Tech's Track Coach

Each your incoming freshmen are always in a quandary as to the sport that they should take up for their recreation during their college years at Tech. Track and cross country have been the major sports in the Institute for many years, due to the fact that they require very little cost, and each man works as an individual, not waiting for a team or a crew to work together. Due to conditions, many sport will be discontinued during the war, and some of them will be maintained in college only on a scale that should they be able to survive. While many colleges are changing the eligibility rules so that freshmen can compete on varsity teams, Tech will still maintain its regular standards of both Varsity and frosh competition. This makes it a little bit hard for the frosh to know which sport is the best for him to select, and for the first year frosh, they are not allowed to be on more than one team. It is recommended that he select some sport that he enjoys, and then try it out and see if he can make the team. This is what Coach Hedlund recommended to his frosh.

Crew and Sailing Tell "Camp" Plans

Shore School Will Start June 25, 5 P.M.

Plans for Freshman Camp were announced today by the sailing division. These included the giving of rides to the freshmen in the sailing pool. The freshman will be taken in three shifts from 2:15 to 3:30. Also at the Naval Association, Bob Moch crew will allow freshmen to try out their skill at crew with a workout in the barnes.

Before one can become a member of the Naval Association and before one is allowed to take out a boat alone he is required to pass certain tests given by the Association. Information concerning these tests will be given at the meeting to which will be held beginning June 25 at 5:30 P.M. and every other Thursday for two weeks at the sailing pavilion across from Walker Memorial. Anyone who has any connection with the Association can become a member.

For the benefit anyone who ever began work on crew or boatman tens but never completed them, Jerry Reed, acting sailing master, says that these are now still valid and that questions already answered will not have to be re-answered. No sheets have been destroyed.

SHIRTS

The T's for their achievements, they were given in enthusiastic praise of the 1943 heavy varsity boat. Coach Bob Moch recommended the award of a straight T, highest Institute athletic award, to the entire crew. The award was passed by the Advisory Council on Athletics and the prize letters were presented to the members of the crew at the annual banquet held at the end of the spring term. The dinner was held at the Smith House Memorial Drive.

Those receiving the coveted straight T were: A. B. Balke, '43; A. P. Dodge, '44; L. S. Flowers, '44; C. P. Field, '46; W. P. Rhoads, '45; J. W. Leidner, '43; R. D. Russell, '46; C. S. Schutt, '44; and J. T. Bergman, '44.
