Flowers Chosen To Head T.C.A.
Other Posts Filled By Krueke, Snyder, Signell

In a special election called last Wednesday, July 7, to fill a 2-year unexpired term, Langdon R. Flowers was chosen president of the Technology Christian Association for the coming year. Other officer elects were: Snyder, vice-president; Clyde Kreider, secretary-treasurer; Warren L. Signell, 4th, treasurer. Flower's choice was made from the nominations of the organization for the past term and served as cochairman of Freshman Camp. Flowers was president of the T.C.A. Freshman Camp and the following year held the post of advertising manager in its handbook. In his junior year he was Freshman Camp assistant and manager of the Freshman Cabin.

Snyder is the only man from the Class of 1945 to hold a cabinet office. He received the T.C.A. award for outstanding service over the man from the Senior cabin who does the most outstanding work. He is also working on developing the week-end campaign which directed the Senior cabinet in his first year and later was appointed chairman of the Senior Cabin. This past year he has been Manager of the Social Action campaign.

Signell was editor of the 1943 Refractories Report.

Reveal Technique Planned For Late August Publication

Will Have New Section Showing Armed Forces, Patriotic Color Scheme

Publication of the Technique, a weekly student publication, will start building a "meteorological section" this fall, it was announced last week. The society will start building a "meteorological section" this fall, it was announced last week. The section will contain a breakdown of the original color scheme on the cover, the 1944 Technique will appear in the fall, and the cover design has been selected and will consist of a dark blue background, the world in red, and a circular representation of the sun in green and orange. Students will begin to receive the new section and copies may still be ordered. The present price of the book is $2.50, and copies may still be ordered. The $2.50 price will be increased to $3.00, and copies may still be ordered.

Outing Club Plans Trip To Blue Hills

Cycling, Hiking, Rock Climbing Groups Will Go

On Saturday afternoon, July 10, the Outing Club plans to go into the Blue Hills of the Boston area. The trip is planned for a group of 30, and the cost will be $3.00 per person. The trip will be divided into three groups, with the trip leader in each group being responsible for the safety of the group. The trip will be scheduled for the convenience of anyone who wishes to join the club.

Vernon Howe Bailey Paintings Of Naval Activities On Display

The Institute is privileged to have on display in the Lobby of Building 10 a collection of drawings and water colors by Vernon Howe Bailey, depicting naval activities during the war.

Mr. Bailey was commissioned by the U.S. Navy to paint its naval shore activities as a permanent record of the public's wartime efforts.

Mr. Bailey visited various naval installations and traveled extensively in the United States and the Orient, and made many drawings of naval units, scenes of active duty, and background of wartime activities.

Mr. Bailey's paintings are on display in the lobby of Building 10 for the convenience of anyone who wishes to see the collection.

Kreider Training At Westhouse

A recent Technology graduate, Frank Kreider, '45, of Christiansburg, Va., has been awarded a position by Westhouse Electric and Manufacturing Company as a member of the engineering group. The company is interested in Kreider's ability to design and traveling wave machines, and the "make machine.""
