V-12 Shore School Being Conducted

Only Racing Skippers

To Race on Weekends

Because of the large number of new students attending racing at the
eating pavilion on Saturday and Sunday afternoon is continued to racing
skippers. To participate in the races skippers must regular
and be assigned to groups. There are three racing groups, two for undergraduate
students and staff members.

IF there are any problems not in the
time, they may be used for an hour
and may be taken out again if there
is no one on the waiting list.

At the last boatswain's meeting,
the committee approved the
proposal, to promote seamanship.
Boatmen are authorized to take membership
cards from individuals who do not
comply with these regulations.

Sheer school is now in progress
for all those who are interested
but primarily for V-12 students.
V-12 school is held from 6:30 P.M.
+ 1:30 P.M. Monday through
Friday in Room 1-110.

All past coxswains or boatswains
among staff members, alumni, and
graduate students are asked to act
as acting instructors at the
Sailing Pavilion.

Track Team Holds First
Summer Practice Meet

According to Oscar Holland, track coach, all track practice and
activities have been moved to Briggs Field. The board track
which is used for the winter track meets has been moved from
behind Alumni Pool to Briggs Field. This
has been brought about by the
return of Briggs Field House to

Department; Deane Erlund, K. Rob-
ner and Thomas P. Flure; Perkins
and B. A. Thysche, director of Ad-
misions; and Wallace M. Ross,
executive secretary of the Technol-
yology Christian Association. To
the delight of many of the freshmen,
several of the faculty members were
accompanied by their daughters.

A feature of the reception was
the abundance of delicious refresh-
ments. As interest was at a peak,
a large number of freshmen were
un able to finish all that was
brought before them. The recep-
tion was interrupted for a few
minutes by a snowbank, but the
snow soon melted and the guests re-
turned to the garden.

The freshmen were introduced
by President Mr. Compton to Lamar
Field, '44, General Manager of
The Tech.

Monday. Meanwhile you can look
at Lena, Rina, and Jane's portraits,
which are displayed on various
posters and bulletin boards through-
out the school. Nina Hayworth's
picture, according to Carlton J.
Robber, '45, editor of the 1944 Tech-
aricle, is one of the most outstand-
ing photos he has ever seen. It was
achieved through permission
only.

Since all originally ordered copies
of the Technique have been
sold, an additional copy will be ordered
and they are now on sale in the
lobby of Building 16 and in Walker
Memorial.
