Freshman Victory In Field Day Predicted By Infallible Oscar
PICKS ’47

The forty-third annual Field Day contest will be won by the freshman class, according to Oscar Rehn, who announced his annual predictions last night.

The infallible prophet of the future, who has always scored 100 per cent accurately, said that a number of freshmen are driving hard for the limelight. "Seasoned veterans," he continued, "are now in a war, a global war.

Catholic Club Hears Father Flanagan

Father Francis J. Flanagan, speaker at the Catholic Club meeting last night, is well known in New England circles.

In his talk, Father Flanagan showed that the Pope has primary jurisdiction in the Church. The Church, he explained, is the Church of Christ and is witness to the truth of the Gospel as contained in the Bible and early Church history. He exhorted his audience to renew their membership in the Church, to study the Bible more carefully, and to attend Mass more regularly.

New Officers of A.S.C.E. Elected on August 23

At a meeting of the American Society of Civil Engineers at 9:00 P.M. Monday afternoon August 23, new officers for the society were elected. President, Richard M. Vail, ’44; Vice-President, Paul W. Timm, ’44; Secretary, G. F. Fitcher, ’44; Treasurer, A. L. Lamberton, ’44-46; Assistant Secretary, John G. Tully, ’44-46; Assistant Treasurer, Albert H. Brown, ’44-46.

Field Day, To Be Held Tomorrow, Will Feature Wartime Innovations

The display now featured in the lobby of Building 16 consists of a rousing film, "The Battle of Egypt," loaned by the British Ministry of Information, entitled "The Battle of Egypt." This collection as it graphically illustrates the important features of the rout of Marshal Rommel’s armed Afrikakorps at El Alamein, and the victorious battle of the British Eighth Army under General Montgomery.

The Battle of Egypt began in the evening of October 23, 1942, with an aerial battle on the German positions at El Alamein. Rommel, forced to flee, was chased not only out of Egypt but also all the way across the Arabian peninsula. One of the greatest victories of modern war, it has the important feature of the Allied invasion of Tunisia and Sicily. The battle’s sinistralsl importance cannot be overestimated.

The visitors have already seen various phases of the great battle, including views of the underground headquarters of the Afrikas korps, and many pictures of the Royal Air Force missions against thest enemies, and Allied activity in the movement, sweeping the skies of enemy planes, and bombarding enemy bases. There are also many examples of the destroyed wreckage of the Afrikakorps together with the advancing British.

The display that was shown by a score of 16 to 6, losing only the crew and display races. The display consists of the events, the point system, and the probable tvsmes, ending at 10:00 O'clock.

Field Day, To Be Held Tomorrow, Will Feature Wartime Innovations

Field Day, the annual struggle for supremacy of the two lower undergraduate classes, has been one of the important events of every year since its introduction on November 19, 1936. Through it, organized athletics have replaced the former disgraceful free-for-alls. Field Day was not definitely scheduled at the beginning of the term, but popular demand kept this tradition intact.

Previously Field Day was held late in October, the contests being a football game, a basketball game, a wrestling match, a relay race, a tug-of-war, and the all-important glove fight. This year will see the evolution of the one-on-one season, a tug-of-war, and the addition of a softball game, a crew race, and a dice race.

In the past four years the Sophs have won the classic thrice, and this year the Frosh can hardly be expected to make up for the loss of the Froshmen.

Still M.T.P. expects to maintain its record of two wins on the playing field. "In the past two years the Frosh have won this classic three times, and the fun times will not be done away with," said Coach Oscar Rehn, who predicted last night that the Field Day events on Saturday will be won by the freshman class.

FIELD DAY DANCE BAND

Dance Chairman, at a meeting of the Institute Committee on August 19, 1943, announced the gala dance to be held in the usual place, 8:00 P.M. Monday afternoon August 23, in the New England Mutual Building 44.

Dr. Reeves and his Orchestra, whose orchestra is well known throughout New England, will play at the Field Day Dance tomorrow evening at the Hotel Continental.

Ken Reeves and his Orchestra, who will play at the Field Day Dance tomorrow evening at the Hotel Continental.

Ken Reeves was the record holder of the campus for the past six years, and his orchestra has been well known throughout New England. One of the smaller bands, his orchestra is well known throughout New England. One of the smaller bands, his orchestra is well known throughout New England.

The band of the dance will not be announced, but it is expected that a change will be made next week before the publication of next week's issue of "The Tech." The price of the tickets will also be announced at that time, since the price is dependent on which band is contracted.

The Imperial Ballroom of the Hotel Statler is the usual site of the dance, but it was not available for this particular evening this year. Rather than wait for an available ballroom, the committee decided to move the dance to the Copley-Plaza Hotel.

Ross To Attend Meeting Of Danforth Foundation

The annual Danforth Foundation Conference for undergraduate students of the Technology Christian Association, will meet the following evening at St. John's Church. A number of Danforth scholars and associates will attend this meeting.

This year, persons are chosen from various educational institutions and the Danforth Foundation, and the associates of the Danforth Foundation are invited to attend this meeting.

According to members of the committee, this Field Day Dance will be one of the finest held. They were everywhere to buy a ticket and attend the dance, the opening gun being given by the gentlemen in the Infallible Oscar section.
