Formal Dance By Sophomores Receives O. K.
Several Fraternity Punch Parties Also Planned For Weekend

The budget of the Sophomore Formal is in the hands of the Student Transportation Commission, as was announced by the Institute last night. The condition being that all appropriate forms are made available, the S.T.C. has been granted only if Navy permission for attendance by V-12 students is available. The date of the formal has been set for the first week in February, and the committee investigating the situation, presented the report and the budget for formal was approved.

The job of putting up the tree will be assigned to at least two groups, one of which will consist of those who are interested in the Christmas Tree. The committee is also making plans for the Christmas Tree Ball, which will be held on the Night of January 8 in the Imperial Ballroom of the Hotel Statler, with the prize of the jacket set at $6.50 (tax included).

At the present time, the Fraternity is making plans for a large reception after the formal, as part of the famous punch parties at various fraternities. It was also stated that the band, which will be included soon after Christmas, is going to be a “big name” band.
