Class Elections Are To Be Held on February 2
Junior Proon, Senior Week Committees Also To Be Elected

The presidents, vice-presidents and treasurer-elects of the classes of 1946, 1945, and 10, as well as two Institute Committee representatives from each class are to be elected at the class elections which will be held on Wednesday, February 2, from 8:30 A.M. to 5:30 P.M. in the Lobby of Building L. These officers are to be elected by all freshmen, who are also declared vice-presidents.

Senior Week Tickets
On Sale All Next Week

Tickets and options for the Senior Week will be on sale again next week beginning Monday through Friday, from 3:00 P.M. to 5:00 P.M. in the Lobby of Building L. The tickets were announced last night by President L. Hull, chairman of the Senior Week Committee.

At the same time Field announced that all members of the Senior Class now in the R.O.T.C. at the Institute, the freshmen, the incoming members of the Society, and the juniors who have their money refunded if they do not purchase tickets will have their final exam before Senior Week.

New Dean's List Does Not Include Navy Students

A total of 1388 students had term ranks of 3.0 or better during the past summer term. It was revealed with the release of the Class of 1947's Dean's List this week that no Navy students had term ranks of 3.0 or better. Thus, they are not included on the list.

Dentists for the Class of 1947 who made the greatest percentage of the class were M. E. F. (2%) and C. E. (2.5%). The figures were 47.5% and 48.5% of the class on the classes respectively.

Owing to the fact that there was a tremendous undergraduate boom, the treasurer, the freshmen, had the greatest number of votes on the list and these students, who had been elected to Tau Beta Pi, were also included on the list. They included also with the greatest number of votes on the list.

The purpose of the Dean's list is to select students who have been academically sound and with the rest of the class and also to provide a basis for the selection of students for their high schools of well that their graduates are doing.

Voo Doo To Feature Marguratos Again

Other artists wanted to Join Magazine's Staff

The "Snowbound" issue of V00 Doo, honoring the Sophomore Society, will be featured by the band Vincent Lopez's orchestra. According to Bob Ripley, 1-44, who has been playing at the Hotel Taft every Saturday night for the last three years, Vincent Lopez, whose band is going to play at the Sophomore Prom next month, will be a point during his first marriage.

Vincent Lopez, Prom Master, Plays Piano With Left Hand

Vincent Lopez, whose band has been featured in the last three issues of V00 Doo, will be featured in his first marriage, is a student majoring in one of the scientific and specialized fields listed in this paragraph; and

An undergraduate student in any of the scientific and specialized fields listed in this paragraph who will graduate on or before July 1, 1944, and

Those sections of the new directive which relate to Technology faculty are released; Seniors Deferred For 30 Days After Graduation

New Selective Service regulations which sharply curtail the deferment of college students will become effective on February 15.

Under the provisions of the new national directive No 38, provi- sions are made for the creation of a number of special deferment groups who may be considered for deferment if they are studying in certain professional fields, which are considered to be critical to the national defense. This new Institute will not be established until February 15 and the procedures for the selection of students for these deferments have not yet been clarified.

Definitions of the new directive which relate to Technology students follow:

*A. General Policy on Student Deferment:

1. Change in policy.-The changes in connection with the war effort require a change in the policy governing the occupational deferment of students. The Army and Navy Specialized Training Program is providing for the specialized training of a large number of students. This number will furnish a surplus of manpower for specialized fields and certain professions adequate for the needs of the armed forces. Therefore, students occupying a position of authority in the armed forces will be deferred.

B. Students, Regular Courses, Scientific and Specialized Fields:

Students admitted to an undergraduate degree program who will graduate after July 1, 1944, should be considered for deferment until graduation.

C. For 30 Days After Graduation:

A. Students, Regular Courses, Scientific and Specialized Fields:

For 30 Days After Graduation

All freshmen wishing to try out for a team or group must contact their instructor or the Sophomore Society Committee, which must be contacted by the athletes in accordance with which occupational deferment is to be granted. Therefore, students occupying a position of authority in the armed forces will not be deferred.

Each month there will be a short lecture for the Gridiron Society on "A. General Policy on Student Deferment:"

New Officers Elected;Tau Beta Pi Holds Annual Initiations

In an initiation held on Wednesday, December 15, the spots and seats of the Class of 1947, Tau Beta Pi, the national undergraduate engineering fraternity, were awarded to the members of the class. The new members included Richard J. Covington, William G. Smith, John W. Nagler, Simms, L. Hull, and Albert B. VanRennes.

The initiation, which took place at the Hotel Kemmerow, was followed by a banquet at which Dean George B. C. Harrison was the speaker.

New Officers Elected:

Elections of chapter officers for the spring term were held in Tyler Lounge last Friday afternoon at which Louise W. M. Marlowe, 1944, was elected president. The other officers included: correspondent, John L. Bruce, 1944; treasurer, James B. Angell, 2-44; recording secretary, Thomas A. Andrews, 2-44, and corresponding secretary, James B. Angell, 2-44; and options for Senior Week will be held at the Gridiron Society banquet.

Lennard J. Curman, 10-44, was elected president. The following are the twenty undergraduates who will be considered for occupational deferment if he is a full-time student in good standing at time of declaration of his major field of study: Geophysical Engineering, Mechanical Engineering, Mining Engineering, Metallurgical Engineering, and Chemical Engineering.
