Fires Four Wrecks Four Bowling Alleys In Walker Basement

The four bowling alleys in the basement of Walker Memorial were completely destroyed last Saturday evening in a fire which, according to preliminary reports, was caused by a short circuit. The fire started in the basement of Walker Memorial and spread to the first floor, where it caused extensive damage.

Doctor Karl T. Compton Returns To Institute After 28,000 Mile Tour Of Pacific War Theatre

President Compton has returned to the Institute from an intensive inspection tour of the Far Eastern war theatre, where he started on his first visit on important scientific developments to active war operations and beyond. As a result of his inspection trip of 11 days, he became an expert in the field of public relations, and was found to be a valuable asset to the Institute. His tour was designed to provide a better understanding of the Institute's role in the war, and to improve public relations. His tour was considered to be a success, as he was able to provide valuable insights into the war effort.

Hal McIntyre whose band will play at the Senior Ball, February 15

As the head of his band, Hal McIntyre stands behind the army transportation plane in which he flew to the battle zone.

Technique To Have New Navy Section

War Will Not Effect Size of Publication

"MILITARY," as a part of the Institute's publication, will be the theme of the 1944 Technique, which was announced as a yearbook's section. It was also announced that the size and quality of the publication will not be affected by the war, since the publication has been able to maintain the same staff and produce the same quality publication. The Technique will continue to be published weekly, and the staff will maintain the same level of dedication and commitment to producing a high-quality publication.
