Blue Barron's Orchestra, conducted by Tommy Ryan. They specialize because of the supporting cast. They now agree that it takes all of the most modern equipment. The Army Air Force's Meteorology Section can continue to use the dining hall, but their meals are at 3 p.m. every day. The Army engineers attend a special section under the war footing.

**Three Dormitories Open For Civilians Next Wednesday** (Continued from Page 1)

The Army Air Force's Meteorology Section can continue to use the dining hall, but their meals are at 3 p.m. every day. The Army engineers attend a special section under the war footing.

**Sewing Allys Rowded**

Work is proceeding at a rapid pace in the reconstruction of the Walter boxing alley, which was destroyed by fire several months ago. The new alley, which will be ready for use in about two or three weeks, will feature full-sized ten pins and duck pins instead of the candle pins formerly used. Modern fixtures and wiring fixtures will be installed, and the alleys will include all of the most modern equipment.

**Photos Reus His Ugly Head**

This morning a new and rejuvenated Voo Doo went on sale in the halls of the Institute. Featured in this new issue was a multiplicity of cartoons and art work by the newly restaffed art department of the magazine.

**Latin-American Sponsor Lecture Party For Members To Be In Evening**

The Latin-American Club will present a lecture by Professor Godoy tomorrow afternoon at 2:30 P.M. Professor Godoy will speak on South America, and there will be films illustrating the subject. Anxious interest is shown to attend the meeting, which will be held at 27 The Fenway, Boston.

**Tech Embassy Starts April 26**

Dean Prescott To Talk At Annual TCA Forum

The Eighth Annual Tech Embassy will open its meeting at 4:00 P.M. on Wednesday, April 26, in Benjamin Hall, Room 104. Professor Samuel C. Prescott, Dean Emeritus of Science, will be the key speaker. His topic will be "The Religion of an Educated Man." After Dean Prescott's talk, the ambassadors, who will be professors and their friends, will gather in the hall. The end of the hour, the audience will present questions to the speaker. The Tech Embassy has been one of the most important TCA functions for the past seven years. It is designed to give Tech's students an opportunity to talk with and meet scientists and scholars who will present their views of the laws of harmonious living in a way that appeals to the scientific student-mind person. In the evening dinner meetings and discussion portions will be held by the participating groups.

**Fr. Collins Speaks To Catholic Club**

Retreat To Be Held Tomorrow In Brighton

Father Russell Collins of the St. Sebastian's School, Newton, opened the retreat in Room 1045 by gifting a talk on "The Church and Our Economic Policies." In his address, Fr. Collins stressed the need for improvement in our present economic system, especially before the present conflict. He said that employers must realize that the purpose of industry is to supply the people with better goods and not necessarily to be a supply of goods with the employer. It is also stated that it returns for reasonable wages, employers should realize their duty to the employee.

**Have "Coke" = Sakabona (WASHOYA SAY) 

**...from Bloomfield to Buffalo**

In South Africa, as in the U. S. A., the greeting Have a "Coke" helps American salesmen. And they use it, too, in your homes when you have Coca-Cola in your lobbies. Across the Seven Seas, Coca-Cola stands for the peace that refreshes—the friendly gesture of good-willed folk.
