BATTLE TALK! . . . that is what he handles on this portable switchboard. Close behind our advancing troops, he holds the life lines of men in combat. Through these lines, news of events, orders from command post—helping to win objective after objective on the road to Victory, Home and Peace.

As the nation's largest producer of electronic and communications equipment for war, Western Electric is meeting vast quantities of telephone and radio apparatus for use on land, at sea, and in the air. Many college graduates—men and women—are playing important roles in this vital work.

Buy War Bonds regularly—all you can.
