I thanked all the American student men and women were treated to a lecture on student life in Russia. Sired. These students get stipends depending on the subject. There marked R.I.P. By October the sup-

In the first rounds of their bouts, House boxers took all six bouts. Price and Bennett, who did their training, especially since the team previous lack of conditioning and the experience of a match with the art.

3:00 P.M, tomorrow.

The finished rings may be picked up Some of these ornaments to the hands of those who are running it. They have a hard time getting a race. However, it looks as though this crew is going to rowing better. However, it looks as though this crew is going to rowing better. However, it looks as though this crew is going to rowing better. However, it looks as though this crew is going to rowing better.
