Tufts Defeats
Lacrosse Team
In A 17-7 Game

Third Straight Loss
Suffered By Variety
Against One Tie Game
In a game played at the Tufts Athlete Field, the M.I.T. Lacrosse Team was defeated last Saturday. The fourth game of the season, it marked the third straight defeat suffered by the Tufts Variety. Tufts

assembled well in the lead with a final
score of 17-7.

As has happened in every game, Tufts
really played a first brand of football for the first ten
minutes of the first quarter. However, after that point, the game degenerated
into a rough and ready free
pass. Several Tufts players were
injured and Massaglia of Tech suffered a
bad injury.

Tennis Team Defeats Harvard
7-2 In First Match Of Season

Last Saturday, the Tech Tennis team went up to Harvard for their first match of the season, which they won 7-2. The Tech team looked very well, considering the fact that most of the men had only two or three days previous to the match to practice.

Two Teams Enter
B. K. Roundrobin
Latinos And Pis Gam
In Volleyball Finals

The Latin American Club Tournament is now headed into the
finals, with two teams already defeated. The Latin American Club and Phi Gamma Delta were the two
clubs that entered the finals during the past week. And Phi Delta Theta and Sigma Chi have one game to go to decide the third team in the play-
offs. The South Americans were the winning team in the round-robin will be the winner of the Sigma Alpha Epsilon-Chi Phi
duel.

The Latin American Club really went to town as they defeated Phi Beta Chi in two straight games. The first win was a walkaway for the Latinos, as they gained 13 points to win before the Phi Betas could assemble their
score. The second game turned out to be quite a contest, despite that first game offering. The South Americans were pushed to the limit by the Phi Betas, but were able to escape an 18-16 victory.

Pis Gam Defeats Delos

As has happened in every game, the Delos team was defeated by the Pis Gam team in a close
match. Two key victories for the Delos. Going into the match at the start of each game, they were never in danger, with both games finishing with
high scoring honors for the day. Bob
Swett was victorious over Milton Academy's Abner Noriega, in his first game after
his return from the branch, won by three sets to give the Tarins the win. Tom Hewson polished off his opponent in one of the most decisive matches of the day. The score was 6-1, 6-2, 6-0. Playing number three, Tech's Norga
is defeated in the first set, and then deferred the set to likely take the next two deciding sets.

Noyer Comes From Behind
Playing number four, Bruce Meyer was leading one set and three games in his match, the Delos men apparently got overconfident and lost the next two sets.

In the number five spot Jack Baggs played Pennsylvania one of the two men left over from the Harvard varsity of last year and lost a close one. Bob Abelarbo Noriega, in his first game, beat the Harvard number six man.

In the doubles, Penn was even brighter. Chum and Norta took the first set 8-6, 9-7, and<br>the second set 9-7. But Baggs and Meyer also took the game, beating Penn 9-7, 9-7, 9-7. After that, the third doubles Ralph Stenger and Pat Housen wound up the day with a two set victory.

Next Match Against Andover
This is the first time in a long time that the tech tennis team has had such a decisive victory over the Andover team. They may enter the tournament by Saturday. Next Saturday the team will travel to Andover for a 4-4 match.
