S.C.M. Will Hold Annual Meeting

Delegates are needed to represent the Institute at the annual convention of the Student Christians Movement in New England, to be held at the Cong. O.A.K., East Boston, July 20, from June 19 through June 20. It is hoped that, even though many students will have small vacations during part of this week, we will again be represented by a large delegation. Last year Technological was represented by twenty-three members, the largest group from any college in New England.

A meeting is to be held this afternoon at 3:30 P.M. in the T. C. A. followed by dinner at the White Mountain Club at 6:30 P.M. The evening program will be at the Y.M.C.A. at 8 P.M. A discussion will begin at 9 P.M., on "The Future of the Christian Church in the United States," according to Allen C. Crocker, 4-69, who will lead the delegation.

The registration fee for the conference is $1.00, and the board for the week is $13.00, a total of $14.00. Any mail or postcard should be sent to the address of the delegate from your college who will be in charge of arrangements.

The T. C. A. will have a cab reserved for the trip. Students who wish to go should let their advisors know.

Outing Club Plans May 28 Beach Trip

White Mountain Hike Planned For Vacations

Next Sunday, May 30, the M.T.I.O. will take part in an I.O.U.A. lunch trip, which will be run by the Radcliffe Outing Club. The outing will be to Echo Lake, and will last from whatever time the Outhing Club goes out until 6:00 P.M. or 8:00 P.M., when there will be trains coming back into town.

The I.O.U.A. is planning to sponsor a hik- ing trip into the White Mountains. The trip will last about a week, starting June 24. Details are to be announced later.

A songbook, prepared by the I.O.U.A., is on sale at the M.T.I.O. office during regular office hours. This contains numerous contem- porary and known and will be given to each outing club. The price is fifty cents.

Catholic Club To Hold Acquaintance Dance

James J. Healy, 10-44, Vice-President of the Technology Catholic Club, opened the weekly meeting by announcing that an acquain- tance dance is to be held tomorrow at 9:00 P.M. in the S. 15 Clubroom with girls from Radcliffe College for members only.

After making the announcement, he introduced Father Stapleton, a priest at St. John's Seminary in Brighton, who gave his last set of lectures on the Bible. In the preceding lecture, Father Stapleton had discussed the Old Testament and New Testament, and in this lecture he discussed various sections of the Bible by the historical method. He also gave a talk on St. George's Day and the general double concerns of the Bible.

Rings Bought By Most of Juniors

83 Deposit Paid

Approximately 260 members of the Class of 1945, which includes a large majority, have bought their class rings. This was revealed by the president of the class, Donald L. Heath, Vice-President, who had 1945s in his room during the meeting.

In addition, a three-dollar deposit was received since the rings will not be large enough to fit everyone.

The trip will be out to Ipswich, the largest group from any college in New England.

A meeting is to be held this afternoon at 3:30 P.M. in the T. C. A. followed by dinner at the White Mountain Club at 6:30 P.M. The evening program will be at the Y.M.C.A. at 8 P.M. A discussion will begin at 9 P.M., on "The Future of the Christian Church in the United States," according to Allen C. Crocker, 4-69, who will lead the delegation.

The registration fee for the conference is $1.00, and the board for the week is $13.00, a total of $14.00. Any mail or postcard should be sent to the address of the delegate from your college who will be in charge of arrangements.

The T. C. A. will have a cab reserved for the trip. Students who wish to go should let their advisors know.
