Field Day Practice Spirited In Track

The Field Day relay teams began to take form during the past week as Coach Oscar Hedland held preliminary trials for places. Oscar has held time trials for 78 Sophomores and 25 freshmen. As it stands now, the Sophs are away ahead in numbers and the competition for positions is very strong.

Many men are back from last year's finals who are going very relay team and are out for the Soph relay team. Among these are: W. Casey, W. Bursnell, W. Chapman, W. Grant, H. R. Jackson, F. Westcott, R. Bello, D. Robinson, H. Dickinson, W. Humphreys, D. Schultz. With these experienced men to form the team it looks as though the Sophs' chances of winning are very favorable.

Final Trials Tuesday

Many more frosh are reporting to the track, to keep alive the hopes of the class. In addition some of the 25 men who have already taken their time trials showed good promise. Oscar announces that the final trials for the relays will start next Tuesday.

This Saturday afternoon at 3 P.M. there will be another handicap meet on Briggs Field. Anyone who wants to may enter, and Oscar is looking for additional men to form the track. The events are as follows: 100-yard dash, 300-yard dash, 3-mile run, javelin, and broad jump.

for anyone not already having an option to buy a ticket. So far, according to the committee the sales have been going very well.

The name of the band which is to play at the dance to be held on September 29 in the Imperial Ballroom of the Statler has not as yet been announced. The announcement is expected within the next few weeks, and will appear in The Tech.

Plans for the weekend have not as yet been completed, but according to Robert B. Hildebrand, 6-45, there is a possibility that some additional form of entertainment may be provided for ticket-holders on Saturday night.
