T.C.A. Freshman Handbook Ready For Distribution

950 Copies Are Being Released To Students At Office In Walker

The T.C.A. 1944 Handbook, which is now available for all freshmen, may be obtained at the T.C.A. office in Walker Memorial. Some 1500 copies were received, of which 500 were turned over to the Graduate House for use by the V-12 students and 200 were purchased by Professor B. A. Thresher to be sent to the V-12 students for use by the V-12 students.

House for use by the V-12 students was turned over to the Graduate

History of Technology

A brief history of Technology, from the time of the fifteen students who comprised its first class, to the Institute of today, precedes the T.C.A. Handbook Ready for the coming eleven months, on the traditional gray background.

Softball

The T.C.A. 1944 Handbook, which is now available for all freshmen, may be obtained at the T.C.A. office in Walker Memorial. Some 1500 copies were received, of which 500 were turned over to the Graduate House for use by the V-12 students.

The contents of the Handbook feature a welcome to the freshman class,Preface by T. C. A. President, followed by other welcomes from Dean Harold E. Lobdell, Dean Thomas P. Pitre, and John L. Hull, President of the Senior Class.

New Technique With Color Pictures On Sale In Sept.

The newest edition of Technique which is scheduled to go on sale in September is progressing rapidly towards completion. The faculty, senior, and fraternity sections are practically finished now. This copy will feature color pictures throughout. To give the seniors more distinction there are fewer seniors pictures on a page.
