Frosh-Ballmen Down Chemists
Alert Defense Joins With Offensive Power

The frosh Field Day softball team slugged the Chemistry Department team in a seven inning practice game on Wednesday evening in a score of 10-8. Walters, the left pitcher, held the Chemists to six hits, while the frosh collected 13 singles and a double. Chick Street, the frosh coach, on the field a team that the boys will have to go far to beat, especially since the Sophs just managed to eke out a 6-5 win over the same Chemistry Department in an extra inning game a week ago. The frosh showed plenty of pep and spirit and this combined with their strong defense and play and their fourteen hits accounts for the beating that they gave the Chemists.

The big sticks of the frosh team are Walters, Fabiszewski, and Hen- drershott, each of whom collected two singles and a double. The Frosh got the hits when they needed it and with the big seven in the inning already made way the 10 run victory. Impressive in the fact that every member of a team got at least one hit.

Good On Defense

Sitting on defensive play was Fabiszewski, the captain and shortstop, and Henderson, the center fielder. Hendersons covered first base well making four or five plays, while Fabiszewski was the plug kick of the team and managed to pick two runners off first with his five fast throws.

Lack of Hitting

The Chemists also fielded a good team, but a lack of hitting in the rich and the defensive play of the Chemists managed to hold them scoreless. They may have scored if it had not been for some poor baserunning on their part and some adverse decisions by the umpire.

The box score by innings was:

Frosh team and their positions were: Pitcher, Walters; catcher, Fabiszewski; 1st, O' Don- nell; 2nd, Henderson; 3rd, Pov- renant; Fier, shortstop; Nebbitt, field; Kozakiewicz; center field; Henderson; Wiehl, right field; Sch; short field; Bouzoou, lea.

Beaver Courtmen Vanquish Bowdoin
Techmen Sweep Match Decisively In 90 Win

Action is again being seen on the M.I.T. Tennis Courts, as the Beaver Netmen swing into action after several months of practice. The Techmen closed their season last Spring, with a record of four wins and two losses, and Tennis was disbanded for a short time. Then members of the Team renewed interest, whipped a squad together, and last Saturday, August 12, met the Bow- doin Teninnamen, in a match played here at M.I.T.

In their first summer match, the Techmen showed up well, as they overwhelmed the Bowdoin Tennis Team by a 9-0 count, every match going decisively Tech's way. No set went higher than 6-3, and M.I.T. didn't lose a single set to their opponents.

M.I.T. - Bowdon

Crewmen Ready For Autumn Season

Up at the boathouse, preparations are being made to meet Cornell and Harvard in a late September race here in Boston. At the moment it appears that the contest will be held on September 30th, although this date is by no means definite.

A major change this week has been the shift of Doug Russell from port to starboard. Russell, a varsity rower for the past several seasons and a winner of the straight "T," looks very promising in his new position. Also, Winkler, shifted from the "lights," moved up to stroke of the Jayvees.

Saturday Turnout

The season's first Saturday turnout is being held this Saturday for the first three boats. At these meet- ings the crewmen get their first really tough workouts as they row in the neighborhood of ten miles up and down the Charles.

As the varsity crews prepare for their races, the Field Day boats are rapidly approaching racing form. The lineups of the shells have just been announced again this year by the Uni- versity Ministry to Students. Signup cards are now available at the T.C.A. office in Walker Memorial.

T.C.A. Sponsors
N. H. Farm Trips
Program Starts Aug. 26
All Students Are Eligible

College men and women will travel to Hollis, N. H., farms for work during the weekends from August 26 through October 8 sponsored again this year by the Uni- versity Ministry to Students. Signup cards are now available at the T.C.A. office in Walker Memorial.

The weekend trips have been planned to aid farmers in the harvest of their crops. With larger holdings than ever before, 25 college men and 25 college women from greater Boston are needed. Opportunities are open for farm or kitchen work any weekend during the seven weeks when the camp is planned.

Workers will be paid at the flat rate of $4.00 an hour. Work has been promised for the entire weekend, no matter what the weather.

The schedule will be as follows: leave North Station at 8:45 P.M.

Notre Dame-Dartmouth Tickets Are Available

Tickets for the Notre Dame vs. Dartmouth football game to be played on October 14 at Fenway Park in Boston, may be obtained at the T.C.A. office in Walker.

Applications for the tickets, which sell at $3.50, must be made before September 1.

Soph And Frosh Teams Ready For Relay Race
Sophs Have Fastest Tracksters On Record
For Past Ten Years

Coach Hedlund has selected the Soph and Frosh relay teams for the forty-fourth annual Field Day games. During the early part of the week time trials were held to determine the twelve runners and three spaces for each team.

The Soph runners and their times are as follows: Chapman, 24.6; Troy, 24.4; Casey, 24.6; Sass, 24.6; Grant, 24.6; Brylawski, 24.8; Serle, 24.8; Morgan, 25.0; Westcott, 25.0; Schultz, 25.0; Jackson, 25.2; Spoor, 25.2; Whitehill, 25.2; Dickinson, 25.2; Bello, 25.2.

Frosh Runners and Times
The Frosh runners with their times are as follows: Jenkins, 24.2; Ingram, 24.2; Robertson, 24.2; Behr, 24.6; Campbell, 24.8; Prigo, 25.0; Kincaide, 25.0; Murphy, 25.2; Conner, 25.2; Boyle, 25.4; Marx, 25.2; Smith, 26.0; Wagner, 26.2; Scherer, 26.2; Turner, 26.2.

In the past forty Field Days the Frosh have had 29 wins and the Frosh 11. The Sophs have shut out the Frosh 11 times, while the lower classmen have never turned this trick on the Sophs.

Soph Team Is Fast
This year's Sophomore relay team has one of the fastest time trials of both classes since 1930, doing 24.8 as an average against the class of 1934, who did 24.5. The class of '34 had such men as Dick Bell, Leu Holliday, Walter Wriley, Ted Rimback, Dick Schatze, Billy Ball, Mai Sousa, Dick Svenson and Earl Lockhart. This team set a record of 4.47.6 made as Sophs in 1931. To break this record, the class of '47 individual times must all be better than 24.6 for the 220.

This is very fast time, but the flying start gives all but the first man a chance to travel this speed if they can pass the baton.

Town Hall and eat in the Parish Hall of the Hollis Church. Rev. and Mrs. Zoerheide will act as host at the work camps. Mr. Zoerheide is coming East to join the Ministry of Students and will act as Unitarian Minister to students in Boston next year.
