Prediction Close

The class of '47, with the edge in experience, gained a decisive 19-3 victory over the class of '48 in the forty-first annual Field Day held last Saturday. The Sophs took all events except Tug-o-War, which was won in two pulls by a decidedly superior frosh combination.

The Sophs were victorious in Sailing by a score of 162 to 79. The points were scored as follows: Sophs—R. Worrel, 34; L. Brite, 26; K. Bromfield, 46; C. Bloomer, 41; J. Bateeman, 21; Frosh—L. White, 26; A. LaFountain, 14; D. Greenbaum, 22; R. Murray (1, 3) and J. Gaffey (2, 4); K. Worton (1, 2, 3) and R. Murray (4), 17.

Soph Sweep Relay
In the Relay Race, the Sophs took the lead as Bill Grant started fast and kept his lead through the first 220. Sloppy baton passing was the factor which held up the freshmen, cancelling all gains made upon the Soph runners.

The Soph shell took the lead at the starting line in Crew and held it for the length of the Charles River course, crossing the finish line a boat length and a half ahead of the froshman shell.

'47 Victorious in Glove Fight
The Glove Fight resulted in a victory for the Sophomores, the frosh having made the tactical mistake of carrying the fight to the Sophs' end of the field at the beginning of the contest.

The Sophs took Softball 12-10 as well as Swimming, in which they were victorious by a score of 12-3. The Freestyle Relay saw the Sophomores win first and second while the freshmen took third. The second place Sophs were disqualified, however, so the final result had the freshmen winning both second and third places.

Soph Win Relay In
Near Record Time

In winning the relay race last Saturday, the Sophs were only a few seconds away from the 1931 record of 4:47.6. Had the frosh gotten away to a flying start as expected and not had the mishap on the first pass, the Class of '47 would have had to run much faster as they would have been pushed by the frosh.
