In the final dual meet of the season in the home pool last Saturday, the Tech mermen registered their fourth win in six starts by pounding Worcester Polytech, 58-16. Tomorrow afternoon M.I.T. will wind up the regular schedule against the Coast Guard Academy at New London. On the ensuing weekend competition for the year will come to a close when the New England Inter-collegiate Swimming Association championship races are run off in the Alumni Pool.

In last week's meet, delayed two hours because of transportation difficulties encountered by the visiting W.P.I. team, Tech got off to a flying start by clinching the 300-yard medley relay and by taking first and second in the 220-yard freestyle event. W.P.I. then took first place in the 50 and 100-yard freestyle races to offset the eight points won by Eisenhards and Goldfarb in the dives. Leading at this point by eighteen points, Tech continued to display its predominance as Mumford triumphed in the 150-yard backstroke. Buckman emerged in front in the 200-yard breaststroke, and Sherman won the 440-yard free style. M.I.T. capped its performance by handily winning the 400-yard relay.

Coast Guard Tough. By comparative scores tomorrow's match promises to be closely contested, for the Coast Guard team chocked up a 54-0 victory over Brown, which squad fell before Tech by the score of 47-28.

Tech Swims Coast Guard Tomorrow; Collegiate Meet Here February 10

The M.I.T. track team ran roughshod over the host G. U. at Briggs Field to the tune of 42-21. Racing with the thermometer registering 28 degrees, the Beaver trackmen made grand slams in three events and placed high in the others, never allowing Brown to use of victory after the initial event.

Brown took first and second in the 45-yard high hurdles, with O'Brien opening the distance in 6.4 seconds. He was followed by his teammates, Burton, and then Frigg of Tech. Jerry Casey of the Beavers showed the way in the 50-yard dash with a time of 5.4 seconds. Tiederman of Brown was second and Bill Grant of Tech scored in third place.

Poorman Wins Mile

In the one-mile, the Tech team scored a grand slam by placing one, two, three. Dick Poorman turned in the very good mile time of 4:46:2 and he was followed by Keegan and Ray in that order. This event was followed by the second Tech grand slam of the meet in the 500-yard run. Charlie Goldie turned in the great time of 1:17.6, with Shea and Schindel right behind.

The Beavers then took first and second in the 300-yard run, which was a very close event as the times indicate. Warren Chapman took the event in 34.5 seconds, followed by Jerry Casey in 34.6, and Fechton of Brown in 34.7. The 1,000-yard run was the third grand slam for Tech, with John Serrie winning in the good time of 2:23.4, with Crimmon and Dickey placing second and third.

Ski Team Places In West Point Meet

The Technology Ski Team placed sixth out of eight teams last Saturday at the West Point Military Academy. Although George Macomber again skied very well, the team was not able to give enough support to bring its score up to the top. Macomber swept to second place in the Downhill Race only eight tenths of a second behind Gaylord of Middlebury, the winner of all three events. Macomber also took fourth place in the Slalom, which gave him third place in the Combined Downhill and Slalom score.

The six skiers who went to the Point were George Macomber, Jack Metcalf, Gordon Johnson, Mac Johnson, Bob Welch and Ski Team Manager, Bud Wilson.
