Coach Smith Leads Swimming Classes

Lessons For Beginners To Commence On March 20

For the benefit of undergraduate students who are unable to swim, instruction classes under the direction of Gordon Smith, varsity swimming coach, are to be offered beginning Tuesday, March 20. As the program is now planned, two sessions will be held each week, on Tuesday and Thursday mornings from four to five o'clock. All interested men can contact Coach Smith by visiting his office at the Alumni Pool on any day, Monday through Friday, between 1 and 5 P.M.

Although all students are invited to take advantage of the instruction the group at present is to be limited to those who cannot swim at all, or who cannot swim at least a hundred yards. The instruction on both Tuesday and Thursday will be the same, so that any members of the class who are unable to attend on both occasions will not miss part of the program.

Crew Has Initial Outdoor Workout

McMillin Starts Work For Navy-Harvard Race

Last Thursday marked the first appearance of the Tech crews on the Charles this year. The date March 8, is the earliest that the boats have ventured upon the river in past seasons. This first outdoor turnout, in which two boats participated, was restricted to that portion of the Charles just before the boathouse as the ice up and downstream was not sufficiently melted to warrant going far in either direction.

This turnout initiated the preparation for the three-cornered race here April 28 involving Tech, Navy and Harvard. The next race is also to be held on the Charles, this time with Tech, Harvard and Cornell competing. The final two races of the season are to be held at Cornell and Columbia on May 19 and June 2 respectively.

Four Lettermen Back

At the moment, Coach Jim McMillan is working with a nucleus of four Varsity men. Led by last year's stroke, Captain Hal Thorson and Thirds Bother, with Jim Hoagland and Dave Clare, there are about thirty-five veterans fighting to make the first two boats.

There is another group of some twenty-five new men who are unable to attend on both occasions will not miss part of the program.

The lineup will be the same as it was in the last encounter. As with Harvard, Yale was smashed 5 to 0 in the last race.

Equal M.I.T. Record

In winning the relay at the A.A.U. games the team comprised of Goldie, Shee, Serrie and Crimmin covered the distance in the time of 8:05.0 to equal the M.I.T. record. The individual times were as follows: Goldie 2:06.3; Shee, 2:01.1; Serrie, 1:58.3; Crimmin, 1:57.3. The team got off to a bad start but Shee took third place and Serrie took first on her last lap. Then Crimmin held off Jim Rafferty, ace aMiler of Tufts; and Casey broke the record for the 40-yard dash by covering the distance in the time of 4.7 sec. clipping a tenth of a second off of the existing mark. In the same meet Jack Serrie captured the 1000-yard run after falling in the middle of the race.
