Tech Glee Club
To Sing March 24
Reuben Moulds Orch.
Will Play For Dance

At 8:00 P.M. on March 24 the Technology Glee Club will open its concert schedule for the spring term with a concert in Walker Memorial. The Wellesley College Choir has been invited to be the guests of the Glee Club at the concert and dance which will follow the singing. A number of new songs will be sung by the Glee Club in a program which will also include several soprano solos by a guest soloist. Reuben Moulds' thirteen piece orchestra will provide the music for the dance which will be open to all, and refreshments will be served.

Though the schedule of concerts for the term is still somewhat indefinite, it is expected that joint concerts with Westbrook Junior College and Simmons College will probably be included. The Glee Club will finish its program of singing for the term in its annual appearance with the Boston "Pope" Orchestra.

man about tech

...resuming his prattle again after a short absence, the man-about-
tech says that all the excellent cooks successfully weathered exams and the subsequent vacation and extends his hearty welcome to all the freshmen that one sees wandering bewildered around the corridors.

...speaking to freshmen, and also to some of you more experienced men, the man-about-tech feels that an abridged guide on where to eat in this fair town of Blue Laws and Beans is in order at this time. Surely most of you wish to avoid the prison pallor so prevalent about the Institute and there is no better preventive than good food.

...to start with the more usual places to be round about town, the hotels are mostly very good, especially the Ritz and the Stale-
t. Th Ritz is slightly more expensive but the food and service are better. For those who like seafood there is the Union Oyster House, which is always excellent. Steak is the star attraction of the bill of fare at both Durgin-Park and Locke Ober, the latter offering strictly a la carte service. But excellent cuisine, if you want to go in hock for the next meal, the Dormitory upperclassmen have an attraction of the bill of fare at both Durgin-Park and Locke Ober, the latter offering strictly a la carte service. But excellent cuisine, if you want to go in hock for the next meal, the Dormitory upperclassmen have an
