Officers Elected By Baton Society

At a meeting held last Tuesday at 8:00 P.M. in Room 1-390, officers were elected for the reestablished Baton Society, the honorary organization for the Musical Clubs. Robert F. Fried, 2-46, was elected president; Robert D. Berkhoff, 6-46, vice-president; Charles Dobony, 2-46, secretary; and Richard J. Steele, 2-46, treasurer. This is one of the first Class B activities to be resurrected since the beginning of the war. In addition to the officers, the other charter members are John A. Gunnarson, 2-46, Arnold S. Judson, 2-46, Carl Haushalter, 2-46, and Alexander S. Gitlin, 2-46. Plans are being made by the society to hold another Tech sing in the near future and to reform the dance band and the concert orchestra. All those interested in the band should contact Keith P. Laneu, 2-46, at the Graduate House, and those who wish information on the concert should see Anthony d’Almeida, 10-47, at the domus.

The Latrobe Collection—stored in the Library of Congress—the library has photostatic copies of all the material that is in the national capitol.

Library Grows Rapidly

At the rear of the library of the Boles Memorial Room, where the material purchased with the Boles funds are placed. Exhibits of this material are arranged systematically in the cases provided this purpose.

The City Planning and Hist Division furnishes an example the rapid growth of the library. 1935 twenty linear feet of shelf space was devoted to this department. Now the division occupies 300 feet of shelves, in addition to the thirty vertical files of pamphlet material. This includes the illus.
