Varsity & Army Defeats
At West Point

A varsity track meet
journeys Billstown tomorrow to tackle
in the fourth dual meet of
season. M.I.T. is heavily favor-
to cop its third dual victory
year, as a result of the per-
ances of the two schools in
New England’s at Tech two-

age.

The IC-4A Track and Field
held last Saturday at West
Tech played a minor role as
of its eight-man contingent
in the final events. The
edition, run off under the very
unusual conditions of rain-
er, resolved virtually into a
meet between Army and Navy.
Cumulating the record-break-
ing total of 85% points, Navy won
by a mere five points with
a pace of 77% markers.

Tech George Upton took
place in the javelin with a
of 154 feet, 9½ inches. Pete
was the winner of the
sprints of the Massachusetts
High School on Wednesday,
with a time of 15.2 seconds.

The next event was the
throw up in the hammer
throw, with a total of six
points with each one
voted for. A novel feature
of this event was the
throw in the discus, with
a total of six points with
each one
voted for.

The final event of the
season was the
charging trip, scheduled to
leave from North Station
at 4:55 P.M. and is
to last through
Sunday.

The group, limited to
ten persons, because of the
insufficiency of sleeping
quarters, will stay at a
hotel on Mt. Washington.
The total cost of the trip, $9.10, includes
$7.10 for transportation and $2.00
for food.

Outing Club Plans
Canoe Trip Sunday
On Concord River

A canoeing trip and a three day
hike will be sponsored this week-end
by the Outing Club. The canoeing
group will leave on the Arlington
River, car from the Harvard Square
Subway station 9:30 A.M., Sunday,
May 27. Radcliffe will lead the
expedition along the Concord River.
Owing to the lack of a sufficient
number of canoes the attendance is
limited to six persons. Bathing
suits will be taken along as the
party expects to be able to go for
a dip in the river.

The hiking and mountain climbing
trip is scheduled to leave from
North Station at 4:55 P.M. and is
to last through
Sunday.

The group, limited to
ten persons, because of the
insufficiency of sleeping
quarters, will stay at a
hotel on Mt. Washington.
The total cost of the trip, $9.10, includes
$7.10 for transportation and $2.00
for food.
