Track Team Wins Five Dual Meets, New England Title During Spring

M.I.T. wrote another commendable record into the annals of Tech track during the past season by winning four of five dual meets and placing well in various championship events, such as the Indoor A.A.U. and New England Intercollegiate Track and Field Meet.

The team's banner achievement was winning the New England Intercollegiate crown with the unprecedented total of 60 7/10 points, the highest aggregate piled up by a single team in the fifty-eight-year history of the meet.

By virtue of a large turnout of talent during the winter season, Tech got off to a fast start in the spring, as evidenced by victories in the Indoor A.A.U. and I.C.A.A. twelve-mile relay in Madison Square Garden against leading college and club teams. To finish the indoor activity the Beavers won the point trophy of the New England Indoor Championship Meet held at the Boston Y.M.C.A.

Aided by ideal weather, the squad quickly rounded into top form for the outdoor campaign. Tech Inaugurated the five-meet schedule with sweeping 93-41 verdict over Harvard on Briggs Field. The team then experienced its first setback, at the hands of Andover. Handicapped by the loss of ace sprinter Bill Casey through a leg injury, Tech saw the prep school boys blemish its record by score of 64 1/3 to 61 2/3. The Cardinal and Gray team next faced 1944-45 Beaver keycrown with a total of 114 points. Sigma Alpha Epsilon, trailing by nineteen points, achieved the runner-up slot. Complete final tabulations found the following organizations in the top ten: Phi Kappa Sigma, 73; Wood Dorm., 39; Theta Chi, 38; Delta Kappa Epsilon, 37; Sigma Chi, 35; Alpha Tau Omega, 20; Phi Delta Theta, 15; Sigma Alpha Mu, 12.

With the scoring in the major sports — football, softball, basketball, and volleyball — on the basis of 45 for first, 27 for second, 18 for third, and 12 for fourth, the winning Phi Gams achieved almost their whole point total in softball and football. Other sport champions were S.A.E. in basketball, Phi Kappa Sigma in volleyball, A.T.O. in swimming, and Theta Chi in track.

Catholic Club Holds First Meet July 11

The Catholic Club held its first meeting of the summer term on July 11 at 5:00 P.M. in the 5:15 Club room in Walker Memorial, with president John T. Harvel, 2-46, presiding. Archbishop Cushing has purchased a house for the purpose, which will be run by the Paulist Fathers. There will be a library and facilities for dances and lectures in the house, which will be ready for use this fall. Tech Catholic Club members may be admitted to the center by displaying their membership cards.

The membership fee in the club is $1.00 per term. Meetings are at 5:00 P.M. every Wednesday, hereafter, in Room 10-278. Activities this term will include Communion breakfasts, lectures and dances.
