Debating Society opposes Princeton on Conscription

Contests with Columbia, Rhode Island, Cushin

Listed for Next Week

The M.L.T. Debating Society presented the negative side of the controversy on conscription with military training. The M.L.T. will debate Princeton on February 21 of age this morning at 11:30 A.M. in the Faculty Lounge of Walker Memorial. Herbert K. Kemper, '49, and Lorenzo L. Lee, Jr., '24 composed the Tech team. A perfect team up held the positive argument.

The issue concerning the demand of labor was to be asserted by the Tech team on ability to pay and not on price increases will form the subject of the debate between the Institute and Columbia to be held on Feb-

uary 7, in Lindle Loan of Walker Memorial. Lindle Loan will also be the scene of a debate on the following day between a Technology team composed of Kentor and Joseph Z. Baron, Jr., '46 and Cushing Armat-

ely. The same team will discuss the affirmative side of the military training issue. The time is to be set at 7:30 P.M.

Later the same evening and in the same setting the debaters will play host to Rhode Island College. The teams are to discuss the introduction of compulsory military training into a labor dispute after all other educational avenues have failed. The visitors will take the negative side of the issue.

The Debating Society will hold a general meeting on Monday, Feb-

uary 5, in the Lindle Loan. Questions of organization are to be discussed.

 inauguration in 1934, and from 1928 to 1934 he was assistant professor of chemical engineering at Washington Polytechnic Institute. In 1939 he became professor of chemical engineering and was appointed to the rank of associate professor in 1939, and to professor in 1942. During the war Professor Sherwood served in the United States Army as a member of the National Defense Research Committee with which he has been associated since 1940. In 1948 he was named chairman of the Baruch Committee, and in 1944 he was appointed special representative to the War Department.

The American Chemical Society chose Professor Sherwood to receive the William R. Walker Award in 1941.

**Outing Club plans Ski, Skating Trips**

Harvard O.C. To Hold Skiing Meet

Sports enthusiasts will have their choice of either skiing or skating when the Winter Sports Club offers its sponsored activities. A joint ski and skating trip has been planned for Wednesday, February 6, at the Stowe Mountain, Vermont.

The O.C. is also planning a skating trip to the Lake Placid on February 13. The group will meet at West End Pond. In addition to these events, mountain climbing excursions to Mt. Washington will be held if weather permits.

The regular M.C.C. monthly square dance will be held on Love Lane on February 16 at 5:30 P.M.

The Outing Club has several interesting activities planned for the near future. There are several of you who are interested in climbing. There are several of you who are interested in rock climbing. The details of the date and the time are not yet known, but interested groups are asked to make arrangements.

**Blood Donations to be Continued**

Harvard Outing Club, February 13 and 14, the Institute has been asked to furnish twenty whole blood collections. The collection will be held their blood at the new Cambridge Red Cross headquarters, at 29-31 Massachusetts Avenue, between 1:45 P.M. and 5:45 P.M.

Technology, along with about twenty other groups in Cambridge that have sponsored giving of blood through the Red Cross during the war, has been asked to continue, on an abbreviated scale, this free service to civilians in hospitals. Anyone interested please contact Miss Elizabetha at the O.C. office in the Lobby of Sherwood, and she will make the necessary arrangements.

whom his loyalty is not only appropriate but desirable. We would feel very happy about the success of our method of recruitment if people regularly feel called upon to consider the fact that they have been given an exhibit. This adds to the object of the system of the subject. We shall diminish the probability of impressions as between the two types.

From this point of view, I feel that Prof. E. W. Beckwith, director of libraries, is to be congratulated on his interpretation of the freedom. Freedom of speech, I think, has been achieved in the liberal sense.
