The Tech To Best, Too
No Issue Next Friday
We on the staff of THE TECH are looking forward to the week-end over Patriots' Day as we know you are, and this holiday means more of a chance to relax for a while than the usual break. We realize that you will be no at the Institute next week-end and consequently we are trying to publish an issue. We hope that the coming week will be as free as the last, and promise to be back on the job next Wednesday, April 25. Have a good vacation.
