Tech Trackmen Oppose Brown  

Two Teams Meet For First Time In 5 Years

For the first time in five years, Tech and Brown will hold an outdoor dual track meet. Five years ago, in 1941, Brown University ran through with a lead of one and half points, thus beating Tech. The Gardens meet this year will be held at Brown University this Saturday afternoon.

Tech Coach Oscar Hedlund predicts this to be one of the closest meets of the season, because of the differences of scores not being more than five points. Although this will be the first meet of the season, it will be Brown’s third meet. They have already beaten University of Connecticut and Northeastern by scores of 80-0 and 85-0, respectively.

Coach Hedlund has already set the greater part of the medals lineup and three of the men, Barney and Bower, are returnees. Barney and Bower have just returned to Tech while Bower was just discharged from the U.S. Navy.
