Camp O-At-Ka Open
To Tech Students
Week of June 17
T.C.A. Announces Last Of
Summer Club Activities
By Cambridge Professor
A talk on the subject of Protein synthesis in the Modern World is to be given by Sherman B. Johnson, Ph.D., KELL Professor of Biology at the Theological School in Cambridge, at 4:00 P.M., Tuesday, May 28, in Room 10-30. This talk will be the last of four lectures sponsored by the T.C.A. on the general theme of Modern Development in Religion.

A busy and enjoyable week is ahead for the Technology students who plan to attend the Student Christian Movement Summer Conference sponsored by the Tech Christian Association. The general secretary of the T.C.A., Press conference will be held from June 17 to June 24, at Camp O-At-Ka, in East Sebago, Maine.

There will be men and women students present from colleges and universities all over New England. A special invitation is extended to any foreign students at the Institute to attend the conference, and a special rate has been arranged

Besides worship and religious activities there will be an ample schedule of recreation, including facilities for swimming, tennis, football, baseball, softball, pool and dancing.

Blotter Proofs Received
Proofs of the 1947-1948 Technologi- Y Bulletin have been received at the T.C.A. office this week. Due to the delay in the closing of the enrollment fall, 600 blotters have been ordered instead of the usual 460 blotters. Newblotters in 16 colors are available and will be distributed as soon as they come.

Veto Association

the O.P.A. resolution, favoring contin- uation of the O.P.A. price controls.
A letter was received from Senator William G. Murphy, D-Mass., favoring con- tinuance of the O.P.A. resolution, favoring con- tinuance of the O.P.A. price controls.

Field Day Date Set for Nov. 2
First Football Game Since 1942 Scheduled
November 5 was set as the date of the next Field Day and plans were laid for this all-day event as a meeting of the Field Day Commit- tee of the M.I.T. last Tuesday, May 21.

The feature of the afternoon's sports events will be the first Sopho- more-Freshman football game since 1942. The other events will include the usual Swimming Meet, Crew Race, Relay Race, Trig- o-Graphy and Gun Fire.

The days activities will be rounded out by a dance at Memorial Hall in the evening, to be sponsored by the dormitories.

At this time, the Field Day Cup will be awarded to the winning class. It is hoped by the Committee to make this O.Tech and to have a good showing at Field Day since the combined classes are expected to comprise about 1000 men.

Preparatory arrangements are being made for Field Day. The president class will make the big efforts, while the Sophomore class will be in charge. The Sophomore class will be in charge. The Sophomore class will be in charge.

Harvard Bridge
And Mass. Avenue
Get Face Lifted
Most of the readers of Tech have undoubtedly been inconven- ienced by construction and construction taking place on Massachusetts Avenue and the Harvard Bridge. We have been made quite aware of it all by the regular reports of the T.C.A. that maintenance has been going on. There is, however, also a substantial organization of the student body who forestalls the irruptions of the traffic by closing down on the bridge at night and thereby the bridge is to continue.

The plans for bridge con- struction include the laying of a new pavement over the entire length of the bridge, the removal of the asphalt on the underside of the bridge, and the overbuilding of the depression by 3 ft.

The bridge top is the fact that the Boston Elevated Railway Company, which has a franchise on the section of the bridge over which its cars travel, is not obliged to repair sections if the repair work is done on its own territory. It is hoped that the City of Boston will see to it that the repair work is done properly. The general public, in order to avoid the hazardous driving conditions which have been a result of the section of the bridge top.

Hex-Alphas To Hold Picnic
Sunday For All VI-A Men
Hex-Alphas, honorary society of engineer of course of the school, is going to be held.

Al Gillinow New President
of Society For Fall
At a meeting held in Lincroft Lounge of Walker Memorial on Wednesday, May 15, everyone in attendance was in favor of the election of Al Gillinow to be president of the Techmen's Association for the fall term. The present officers are: At the present time the new president will have the task of planning and various functions that have been performed by the old president, and couples. All these interested in participating are re- quested to visit Eugene E. Welch, 6-641, in the dormitories before the end of June.
