Virginia H. Ferguson, '47 a pre-

cedent-setting co-ed, has set the

other precedent. She now has the

usual claim of being the only

technology woman student to at-

end a Freshman Camp held away

from the Institute. During the war

years, when the Camp was held

on the Institute Campus, co-eds fre-

quently attended the meetings held

in 10-250; but never have they
