Field Day Hop Is Complete Sell-Out; Tickets Go Quickly

Music To Be Furnished By B. Hugo’s Orchestra; Barons Will Lecture On World Student Christian’s Federation

In an unexpected rush all tickets for a winter Field Day Dance which is to be held in Walker Memorial Building, October 23, from 8:00 to 10:00 P.M. were sold out by 1:00 P.M. Tuesday. Room 107 with full ticket sales, however, less than 7 per cent of the total box can be accommodated at the dance and demand for tickets has far outstripped the supply available. There will definitely be no door sales and throughout the entire evening there will be a door check will be held.

In the traditional spirit of Field Day the dance will be appropiately decorated to honor the memories of the famous brothers on strings across the ceilings, men section leaders, opera with large signs business the evening. A special effort will be made to create the proper mood and the candles will burn around the dance floor. All announcements will be made by radio.

Baron Hugo and his orchestra will supply the music, but after the early part of the evening Bucky Wilcox, a well known vocalist and saxophonist will take over and lead the orchestra. (Continued on Page 5)

Promotions Announced By President’s Office; Men Take Posts Soon

The Reverend Everett Moore Baker, D.D., has been appointed new Dean of Students at the Institute. The announcement was made by President’s Office who will be appointed new President of the Executive Vice President of the Technology National Association.

As minister of the First Unitarian Church in Cleveland, Dr. Baker brings to his new post broad experiences in the field of education and religion, having spent years as the Church’s first full time minister. He is known in academe for his work in the church’s educational programs, and has been associated with many of the leading education organizations of the country.

Dean Thomas F. Pitre has been named new Dean of Freshmen in the recent Institute appointments.

Navy To Present Research Awards

Six War Laboratories

To Receive Awards

Navy Ordinance Department Awards will be presented to the directors and members of the staff of six important war laboratories at Technology today for outstanding achievements in research and development in U. S. Navy projects. The awards will be made by Captains William H. Burak, U. S. N., Professor of Nuclear Science and senior naval officer at the Institute, in the presence of the Institute officials, including Prof. Charles E. G. Davis, Director of Division of Industrial Cooperation, whom the various laboratories operate.

The laboratories receiving awards today will be the servomechanisms laboratories, and the gun design laboratories. Several members of the servomechanisms labs, in- cluding their director, Dr. Charles R. Brown, associate professor of electrical engineering, will receive individual awards for work on servomechanisms and ordnance servomechanisms. Dr. Elton R. Draper, Professor of Aeronautical Engineering and members of his staff of instrumentation laboratories will be given awards for development of sight instruments, gun directors and fire control systems. There will be an award for research in the Gun Design department, members of this group will also be awarded certificates.
