Institute Reveals Program Given Next Summer; Several Courses Required

Judson Named Gen. Manager Of 'The Tech'

2nd Term Frosh, Soph Schedules Are Mandatory

Full details for the 1947 Summer Term are given below, and short curricula will be offered defended to the students by all faculty members. The names were announced earlier this week by the Dean of Students.

No incoming, or first-term freshmen program will be offered next summer. The second freshmen term will be required of the class entering this campus as second-year, first-term, first-year subjects will not be offered again until the spring term of 1948. Second-term freshmen in Course 1 will postpone the required Summer Term curriculum until the first-year, until the summer of 1948. Course 1 students will take 5-10 as part of their second year in- stead of 9-10 in the summer. The sophomore (freshman) term program will be offered again until the spring term of 1948. The new directory includes 5-10 for Course 19, 5-10 as part of their second year in- stead of 9-10 in the summer. The sophomore term program will be offered again until the spring term of 1948.

Those will include 5-10 for Course 19, 5-10 as part of their second year in- stead of 9-10 in the summer. The sophomore term program will be offered again until the spring term of 1948. The new directory includes 5-10 for Course 19, 5-10 as part of their second year in- stead of 9-10 in the summer. The sophomore term program will be offered again until the spring term of 1948.
