It might be interesting to find out how other schools are meeting this problem. To this end, we have some anecdotal evidence of a future which may show whether there is a solution to this unfortunate predicament.

The Tech Promotions

The Tech Promotions is a group of students who are in charge of the Tech Show. They are responsible for organizing the different events and ensuring that the show runs smoothly. They work closely with the student body and the faculty to ensure that the show meets the expectations of all involved.

The Tech Show

The Tech Show is an annual event that takes place at the end of the academic year. It is a production that is put on by the students and is attended by both the student body and the faculty. The show consists of a variety of performances, including music, dance, and theater. The Tech Show is an opportunity for students to showcase their talents and for the community to come together and enjoy a night of entertainment.
