Coach Smith requests all Field Day swimmers to report to the Alumni Pool every afternoon at four o'clock for practice. The team will get into shape for the big day, you must be in excellent condition. Otters about three more weeks until November 1, so get busy with your preparation.

Every man thinking he has swimming talents should report to the Walker Gym every afternoon where the swimming team's body-building class will be doing exercises. Don't wait until winter to come out and join the team, these gymnasium sessions are very necessary for building a winning swimming team.
