I help make your telephone service the world's best

"About 50 years before you were born—back in 1877—I started making telephone equipment for the nation.

"As the manufacturing and supply member of the Bell Telephone team, I’ve always had a lot to do with making your service the world’s best—at the lowest possible cost.

"The close teamwork made possible by my being a part of the Bell System was never more important than today—in helping to meet record demands for telephonic service.

"My name is Western Electric."
