Harry Marshard and His OUTING CLUB

With Cappy O'Connell

The COPELY PLAZA

His bullet rings a bell...

30 miles away!

Zing!... and the damage is done.

A bullet... intended for game... pierces an exposed telephone cable.

Instantly, hundreds of wires are open to the ruinous effects of moisture.

Instantly, too, nitrogen gas... stored in the cable under pressure... begins its slow escape, keeping dangerous moisture out.

And, as the gas pressure falls, a small contact closes and an alarm is sounded in a Bell Telephone testroom many miles away.

Though the cable may be miles away, it is readily located and, within minutes, an emergency crew is on its way. Repairs are frequently made before telephone service is interrupted.

This alarm system is but one of countless expedients all of which reflect the initiative and ingenuity of Bell System personnel... men who find high rewards in their ever growing business.

BELL TELEPHONE SYSTEM

Activity Briefs

The long awaited all season of the Outing Club is approaching realization. It will consist of about six lectures on such topics as equipment, snow conditions, ski technique, safety, waxing and aches and pains of all. All of these lectures will include slides and movies. If snow conditions at Boston will permit, on-the-slope instruction will be given.

A bike trip to Wellesley is planned for Sunday, November 1. The Outing Club sponsors annual dances the second and fourth Fridays of each month. The next dance will be held on November 14 in the Y.W.C.A. in Cambridge. A hiking trip to Mt. Holyoke College is proposed for the weekend of November 8 and 9. The data for the Winter Carnival has been set as February 20. Claude Bolana was elected Carnival Director.

Field Day Dance Proves Popular

Saturday Affair Is Sold Out Completely

The traditional popularity of the Field Day Dance was proved again this year as tickets for the affair had been under demand, all four hundred going before the close of the third day of sale. By far the largest number was purchased by the members of the Sophomore and freshman classes, who evidently are planning on doing quite a bit of reorganizing Saturday night.

The ultra-modern Fitchett Lounge, located on the second floor of Walker Memorial, where the dance will be held, will be open for the convenience of the four hundred couples attending the informal af- fair. Decorations, besides the usual symbols of Field Day Activities, will include the fountain which is inst- alled in the middle of Morse Hall for dances, and candle light in the Lounges.

The Techtonians will play for the first time this year at the Dance, which is sponsored by the Dormitory Committee. The lighting, ac- cording to Ralph Segel, chairman of the Dance Committee, will "be gay.

The champagne for the affair will be President and Mrs. Karl C. Comp- ten, Dean and Mrs. Everett M. Baker, Athletic Director Ivan J. Geiger and Mrs. Geiger, and Pro- fessor Avery H. Ashdown.

Last year by a few of the former members, and has now fifteen active members.

Finals夜YING CONCERT

Celebrated to be held in Litch- field Lounge Monday, Nov. 3, at 8 P.M. Present will be Col. Jackson, P.M.A., and T., alumni members and present active members to give the prospective members.

The organization was reactivated

Making History

Every year five M.I.T. students are elected Carnival Director.

The Techtonians will play for the first time this year at the Dance, which is sponsored by the Dormitory Committee. The lighting, according to Ralph Segel, chairman of the Dance Committee, will "be gay."

The champagne for the affair will be President and Mrs. Karl C. Comp- ten, Dean and Mrs. Everett M. Baker, Athletic Director Ivan J. Geiger and Mrs. Geiger, and Pro- fessor Avery H. Ashdown.

Last year by a few of the former members, and has now fifteen active members.
