the Committee on Educational Survey is now probing into
inevitable conclusion that the freshman educational program
Humanities are now being required for graduation. Physical
lings, lectures or sports practice sessions. Because of a lack of
canopy open for the frosh men have a definite meal schedule-they cannot
expected to wait around after 5:00 p.m. for activity meet-
assumed that the athletic program should be eliminated? Would
dispose of? Are there not other subjects which are of less
than the athletic program? Ask any
where they...
the freshman trying out for our

It's pretty easy to spot a frosh. Not only are their</w>
