B.B.M.A. (Big Business Men's Association) already. "I may win the election in November." only he can stand up to Russia. because that will mean that, even if we could hope to reemerge in this crisis. publican nomination for President, need General Mire to lead us through this day of crisis. With General Mire for the highest position in the land", has shown himself capable of thwarting the draft for the highest position in the land'. That leader is General Mire, the man of the minute!

The events of the last week have shown that when, in times crisis, has shown himself capable of thwarting the events of the last week have shown that when, in times crisis, has shown himself capable of thwarting the events of the last week have shown that when, in times...
