ELECTION POSTERS

No political campaign posters may be placed on Institute Bulletin Boards until April 15, 1948, the Walter Memorial Committee announced. Only one poster may be placed on each bulletin board per candidate. It is suggested that the "rules of etiquette" be observed concerning these signs.

Other publicities shall be all right, but if there is any doubt as to the propriety of an idea, the student should check with the Walter Memorial Committee, directed by William R. Zimmerman, '48, chairman.

Dear Sirs:

I feel that student government must be the student's government, and that the student will be best served by the student in his problem. In this spirit I feel that the student govern-. ment should be the representative of the student. Any amendment that is passed by the Institute Committee should be referred to the Association at the annual meeting for approval. This policy of referring the amendments to the Association is practiced with the following new officers were installed: President Walter P. Wagnes, '48; Vice-President, John B. Sutherland, '48; Secretary-Treasurer, Frank J. Comin, '50.
