Intramural Softball
To Get Under Way
Eight-League Tournament
Comprises 41 Teams

With a field of 41 teams entered in the Intramural Softball program will officially begin tomorrow afternoon when the first games are slated to be played.

A majority of games this year will be brought to Briggs Field for the construction of the new library.

The 41-old teams are divided into eight leagues, with almost all of the groups represented in each league.

The regular tournament will begin May 15 after which the champions in each division will engage in an elimination playoff which will take place on four days, May 14, 16, 18, and 20.

According to the present list representing the tournament including 11 teams from the fraternities, four from the Graduate House, four from the Barragans, four for the fraternities, five commuter teams and one team from Westfield.

Direction of the tournament in the hands of Jean Brownfield and the prospects are good for a success-ful and exciting tournament.
