Music Clubs Form Two Singing Groups

About 125 students gathered to hear a songfest of old familiar tunes and a Glee Club concert last Tuesday in 10-250, Huntington Hall. The Musical Club has recently expanded its program to include the Men's Glee Clubs. One of these, the "Sophomore Glee Club," will be open to former Glee Club members, standing members of the new "Sophomore Club.

The "Sophomore Club" will be open to all students new to the institute or new to the glee clubs here at Technology. Both groups will have a full schedule, including both home and away concerts with girls' colleges.

Practice for both will be at 5:00 p.m. in Room 1-390. The Senior Club's rehearsal is to be on Tuesdays and Thursdays, while the Sophomore Club rehearses on Mondays and Wednesdays.

The Musical Club's management has announced there will be no Women's Glee Club because of the decreasing number of interested coeds, wives, and secretaries.

WANTED: Frosh for Track, Cross Country Meets

Each year the incoming freshmen are always in a quandary as to the sport that they should take up for their recreation. Track and cross country have been the major sports at Technology for many years due to the fact that they require very little time, and each man works as an individual, not waiting for a team or a crowd to get together. Schedules are all made out for this year, so that the freshmen will have plenty of competition both in track and cross country.
