Frosh, Sophs Scrimmage For Field Day Football

52 Outnumbered As Game Nears

By Jon Ganger

With only 30 days remaining before the Fall Football Field Day clash between the classes of 1951 and 1952, both the freshman and sophomore football teams are flux being whipped into shape by their respective coaches at afternoon practice sessions on Briggs Field. The frosh team this year is being coached by three veterans from the football team of the class of '50. Jim Baker has taken over the position as head coach while Joe Regan and Kimball Dinsmore are acting as assistants at afternoon practice sessions.

Use New Formation

Jim has decided that this year's team will use a modified punt formation, more commonly referred to as the T-formation. This type of formation relies on both speed and power and has not been used by a Field Day football squad since the war. On the other side of Briggs Field, head coach Jim Phlilips and his assistants are putting the sophomores through their paces in preparation for the game in which each team may capture their class's masters. Inter-team scrimmages have been going on quite regularly for the past week and many of the boys from both sides of the team this year are developing into good football material.

For Scrimmages NU

This year's games are scheduled for two games before the final match on November 5th. Saturday, October 28, the freshman teams will come over to Briggs Field for a scrimmage. This game is scheduled to be played at 3:30 p.m. The next week, October 31, at 2:30 p.m., the varsity squad will visit Kimball Dinsmore Academy and will be at Briggs to meet the first T-formation of the squad.

Judging from past years the game will be an exciting contest especially when that class spirit can be proven by performance. (Continued on Page 6)
